CALYPSO

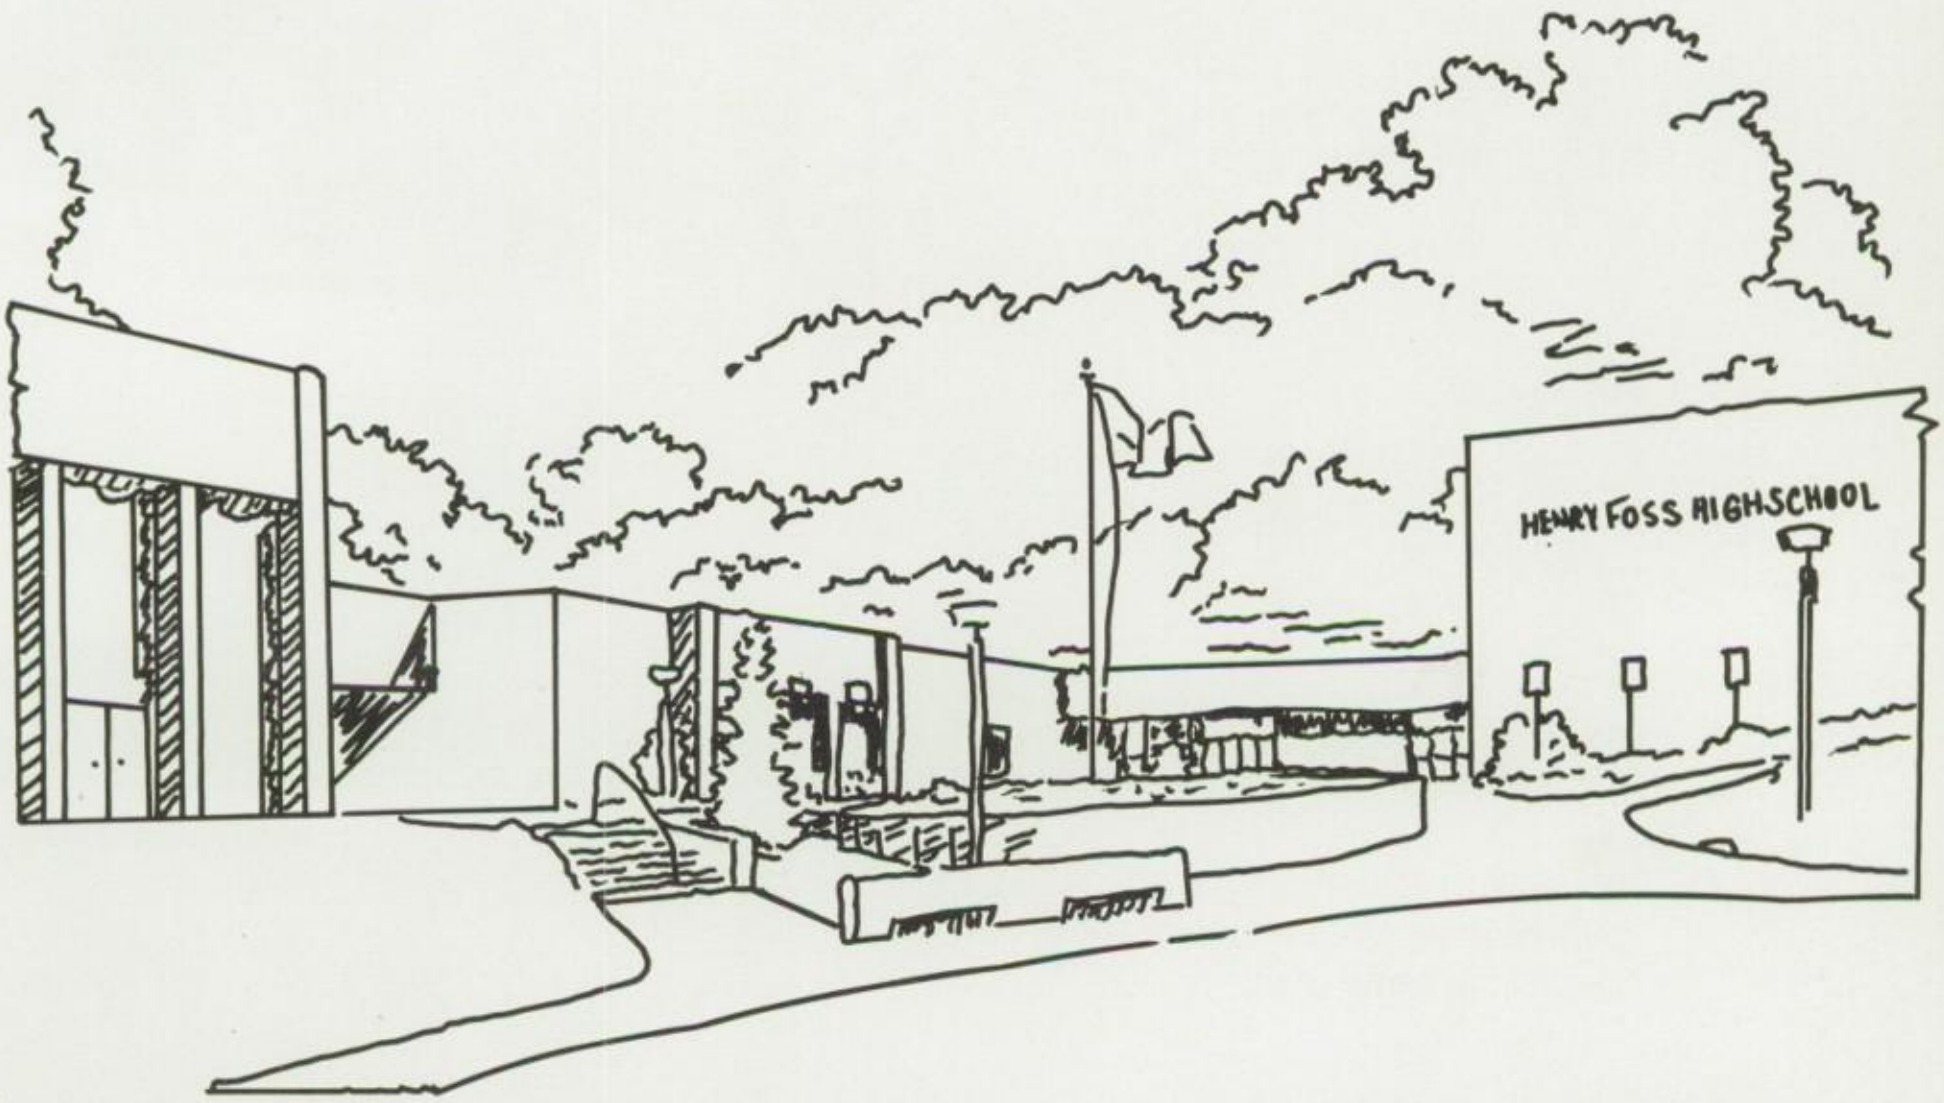
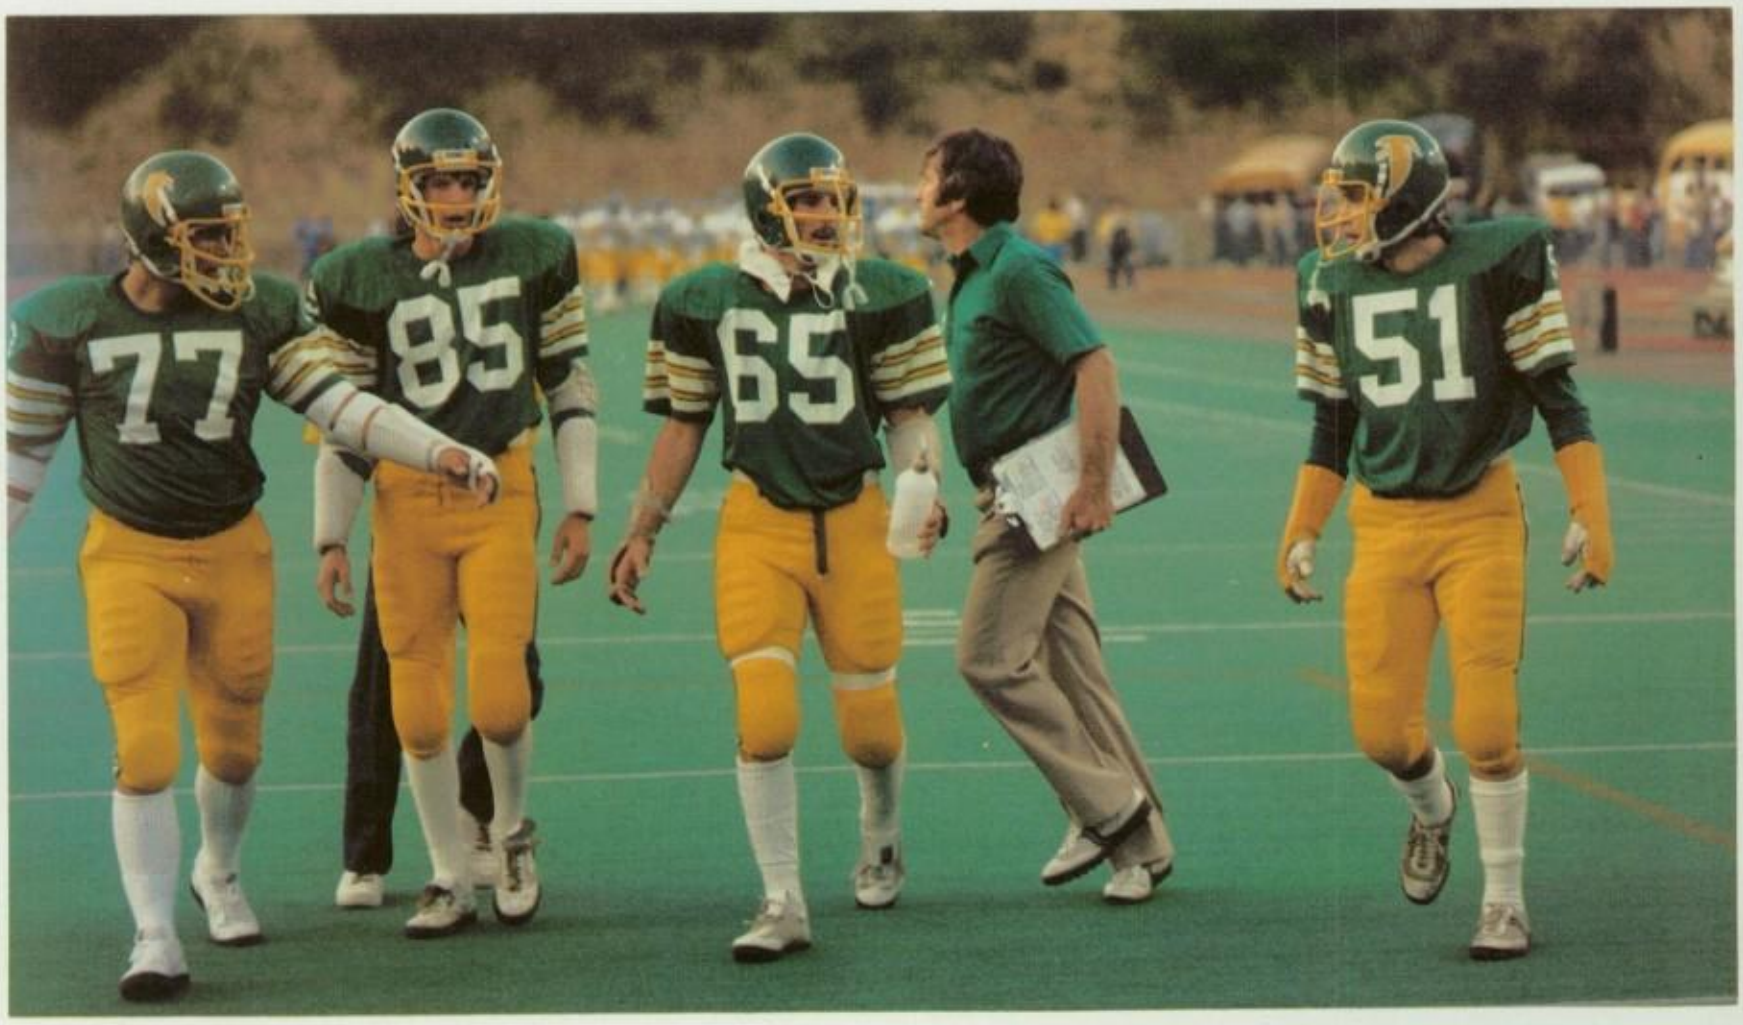
VOLUME IX



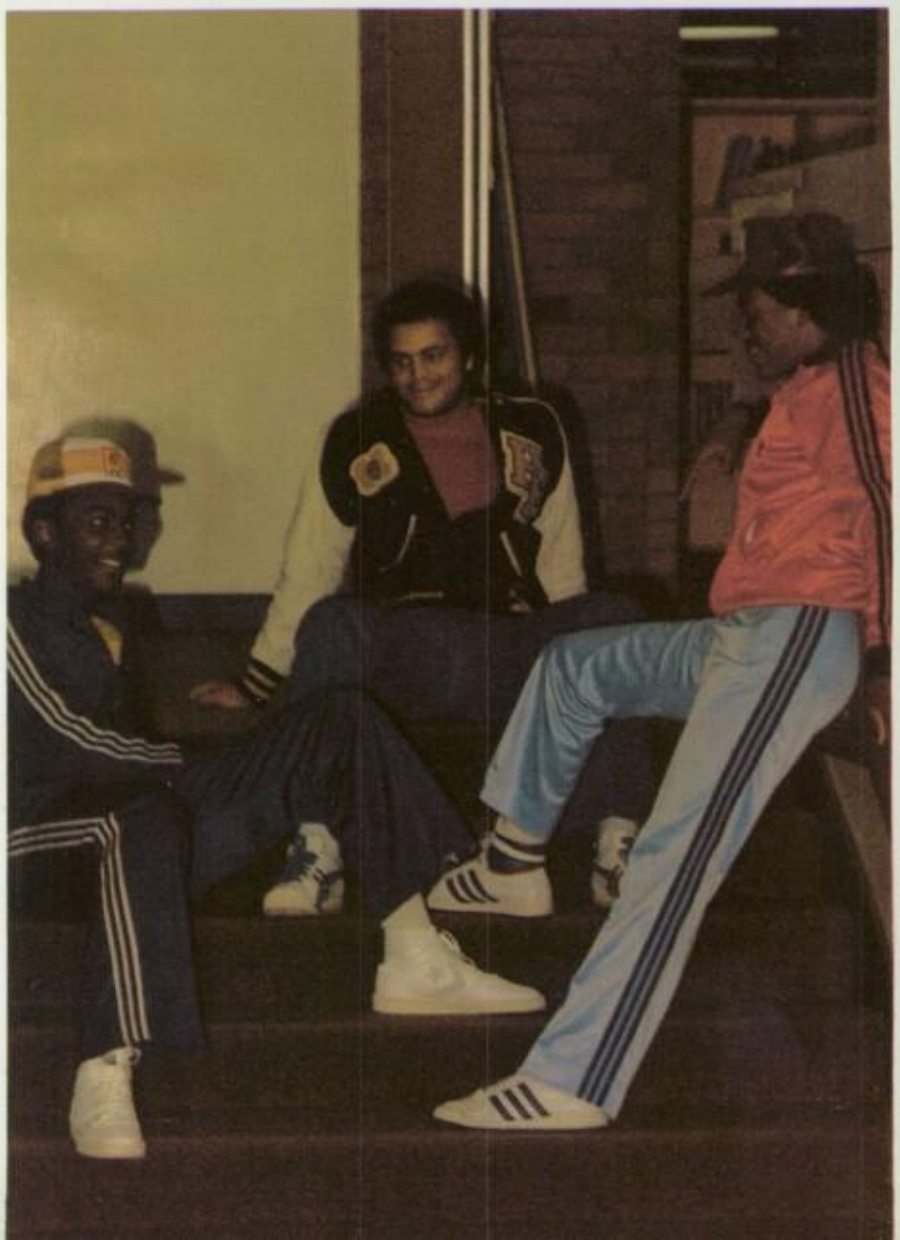
Henry Foss, Tacoma's newest and most unique high school, was built in 1973 with the intention of creating a definite style and uniqueness. Foss is like no other high school. It provides opportunities for each student to make choices and decisions, thus encouraging students to accept responsibilities for their decisions and actions. Here, students are able to pursue an academic, vocational, or general course of studies. Not only have we had merit scholars in academics, but we have also produced champions in athletics as well.

Now, after eight years of operation, Foss still remains what it was originally set out to be: a unique, individualistic school.

At Foss, there exists a unique relationship found nowhere else.



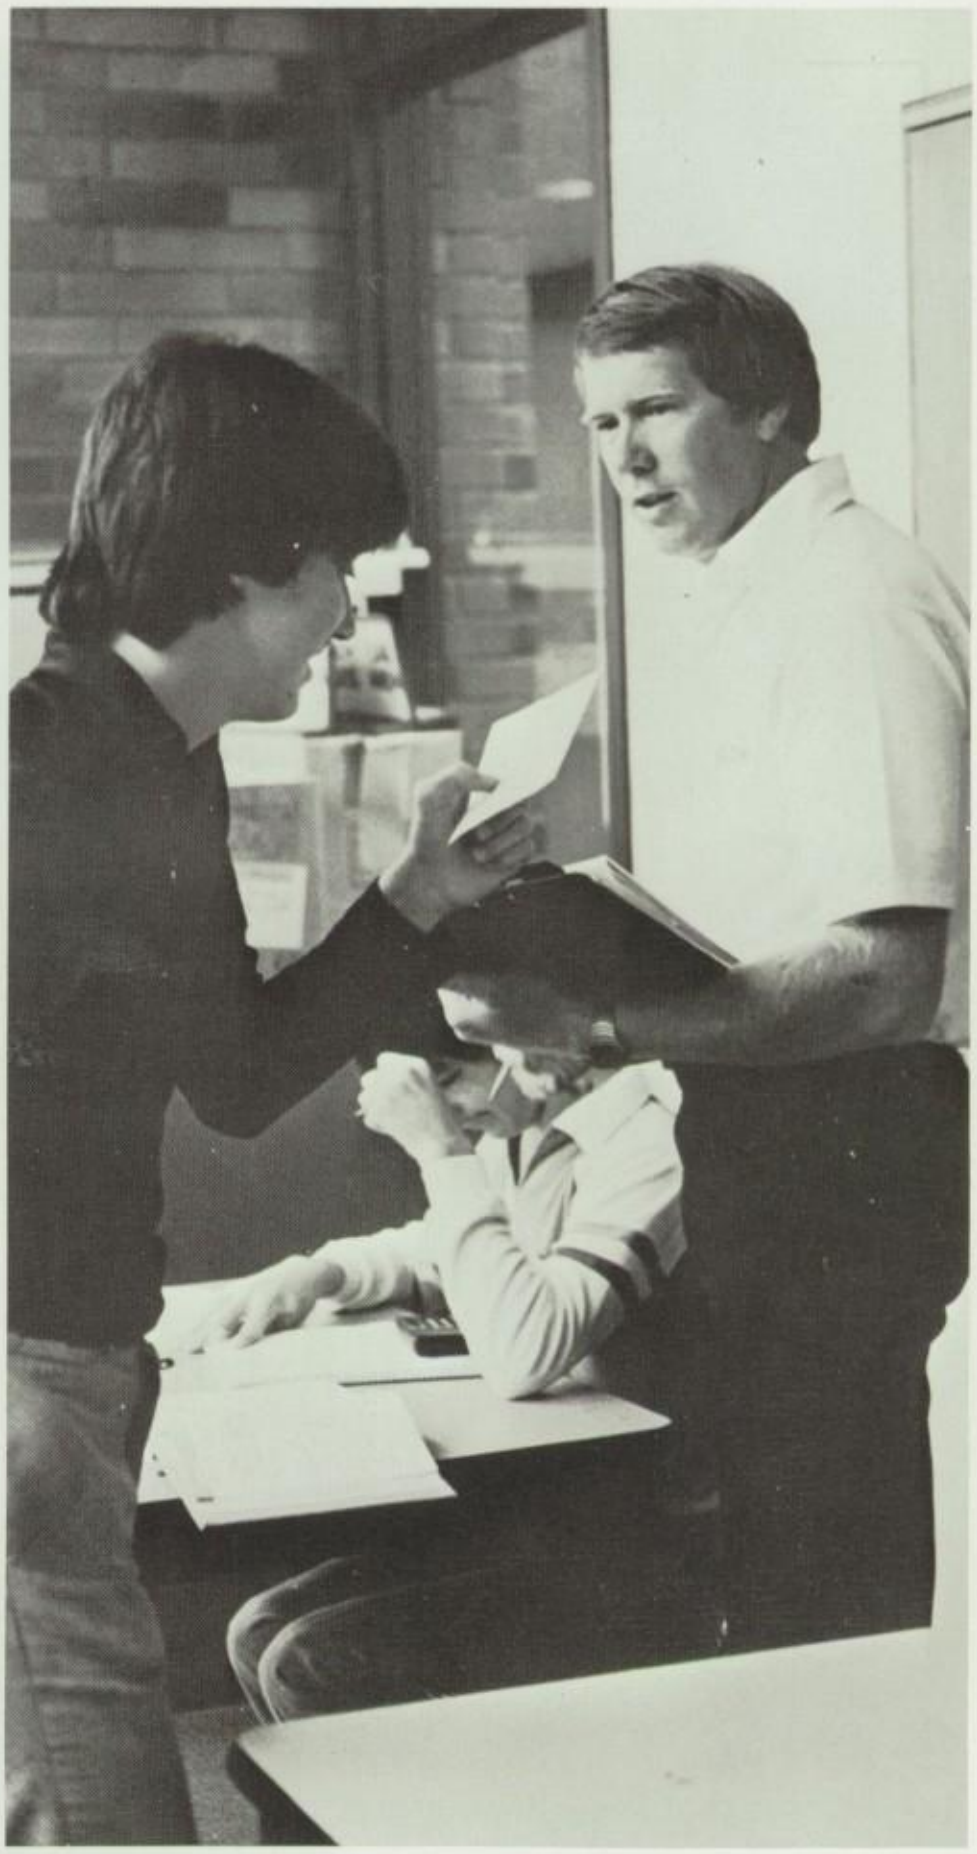
As individuals of Foss, we create unique relationships. We become a team, striving toward the same goal.

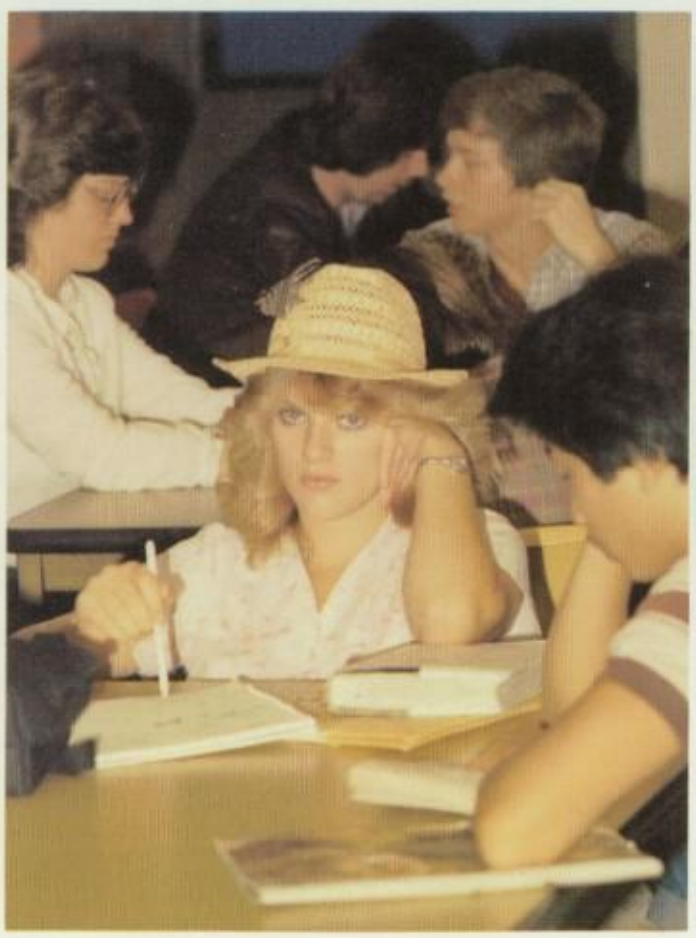


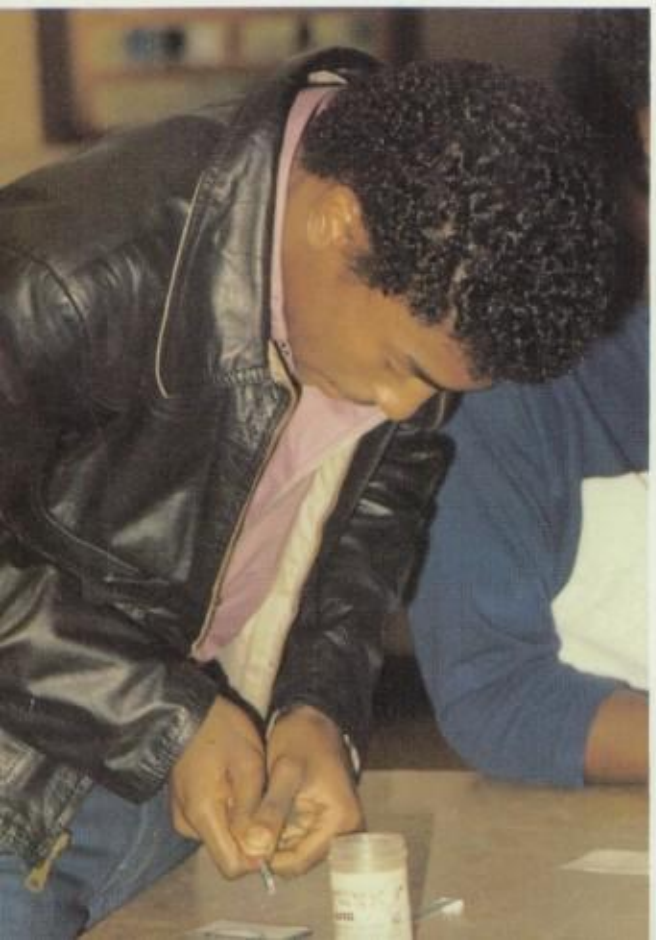
This companionship is what
makes our school so special.

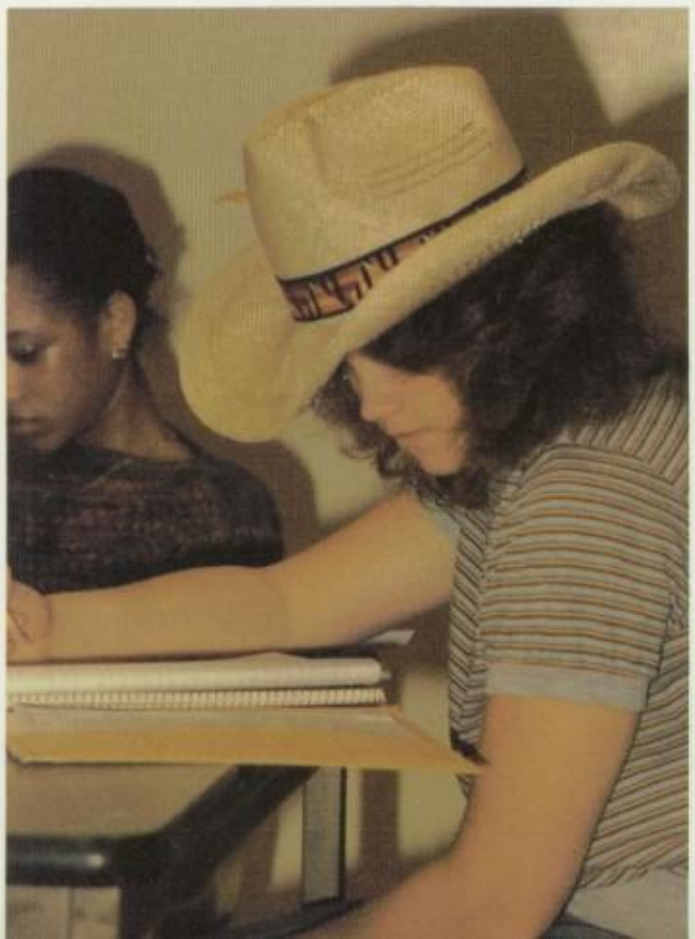
Commitment to the idea of individualized, continuous learning is a characteristic of the Henry Foss faculty. The faculty aims at bringing out the best in each student and giving them an education to be proud of.

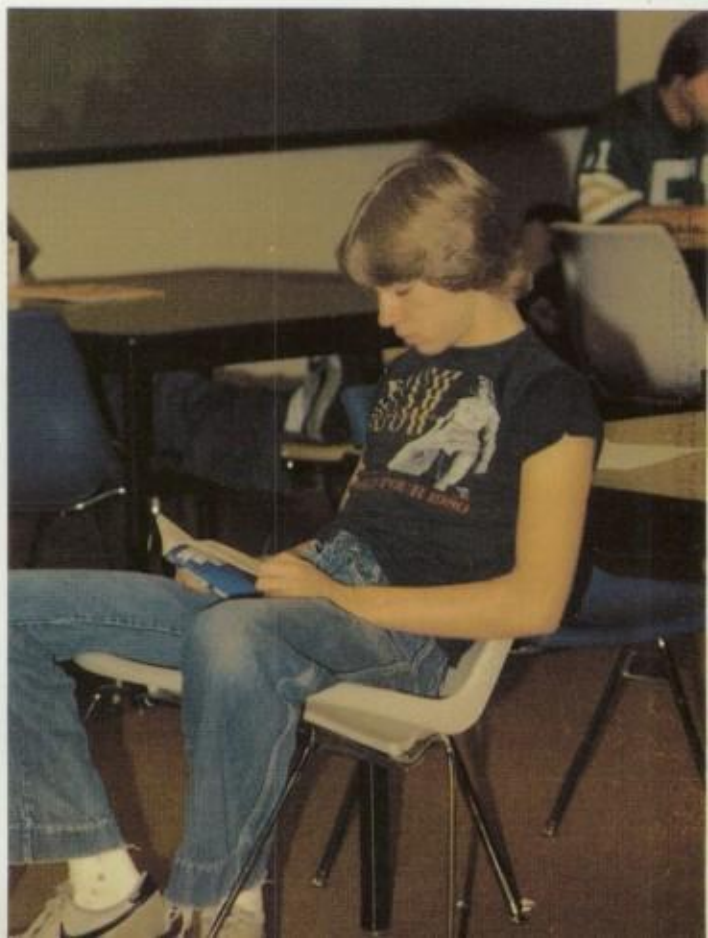
The relationship of the students and instructors provides an excellent environment for growth and development.





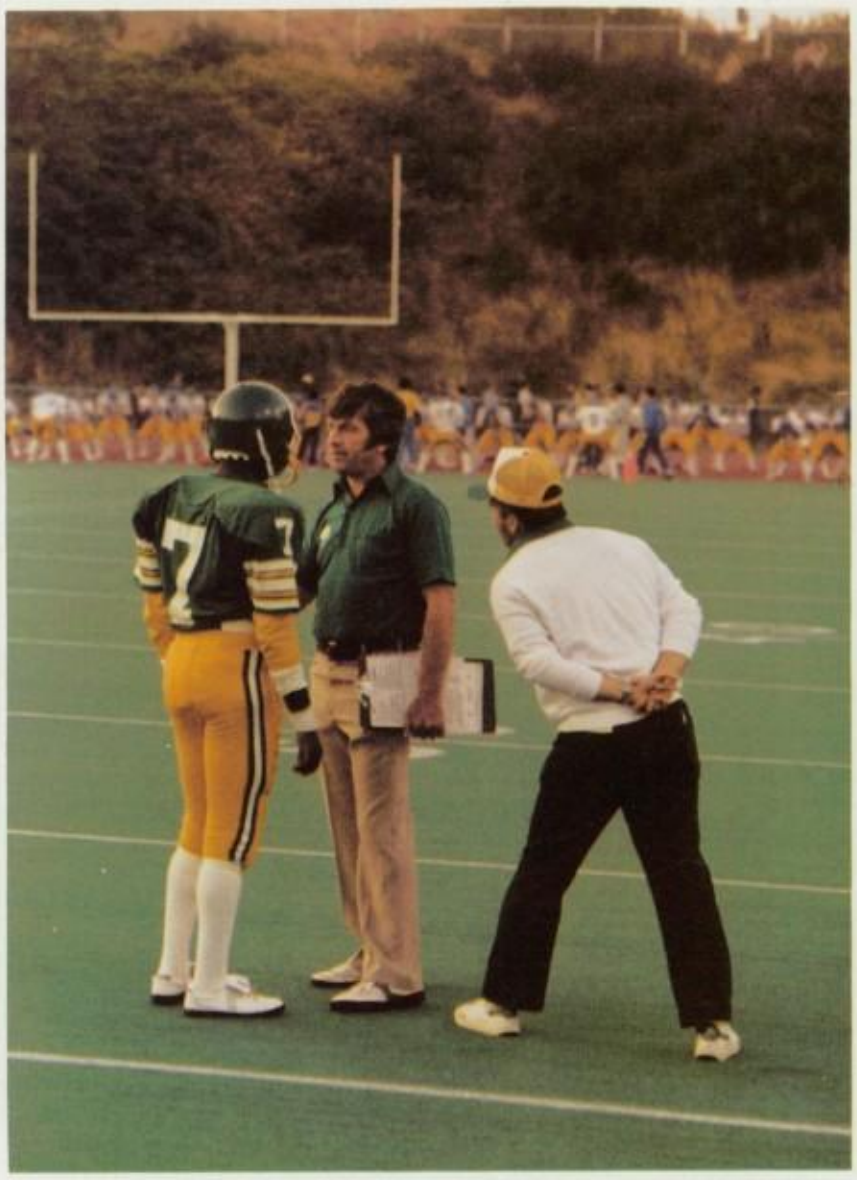






Developing a particular learning style can be the basis for an increase in the students self-worth and potential. Acquiring a unique style enables the student to broaden his or her horizons, and be potentially successful.

Reaching your highest peak, going your farthest distance, and achieving the goals you've so courageously attempted characterize what Foss and learning is all about.

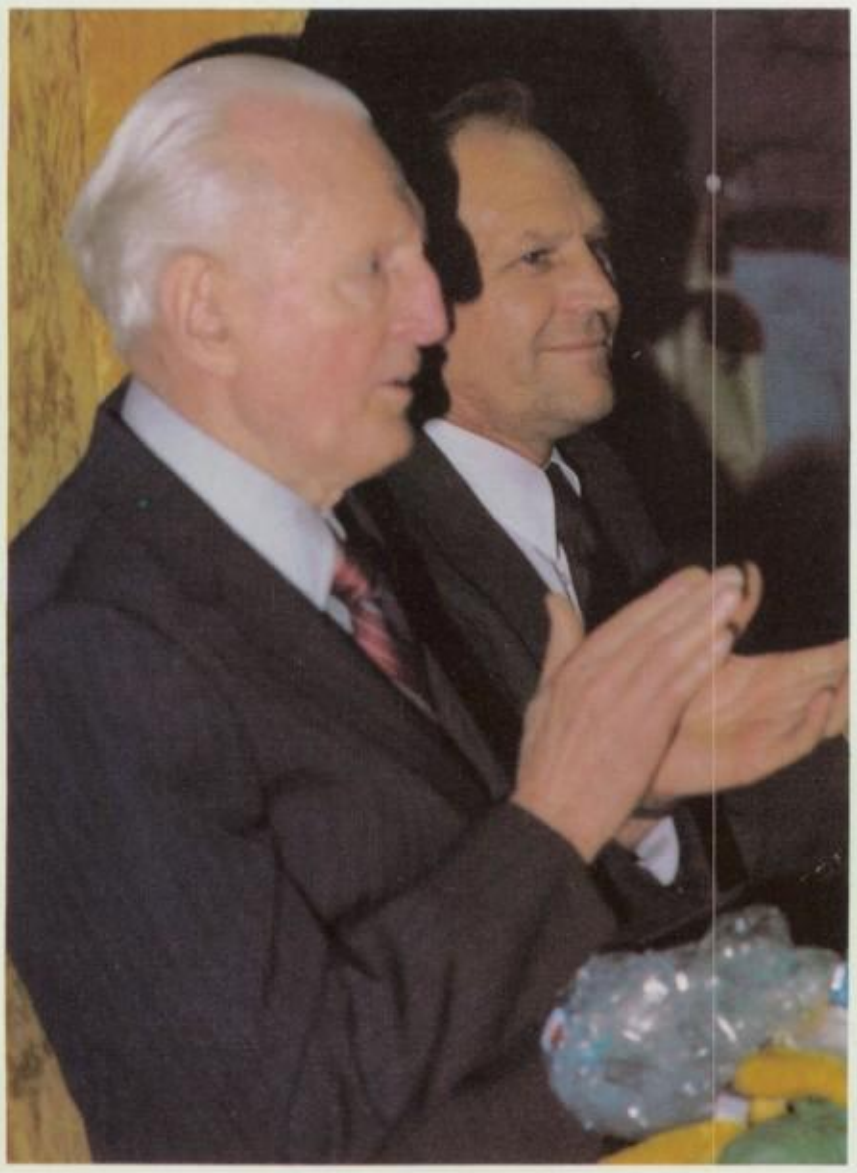


Though school consumes a large part of our time, Foss students are involved in many activities outside of the normal five period day. Many students hold jobs in the community, while others participate in activities such as athletics and drama.

However, in school or out,
we always manage to have fun.

FOSS IS THE HOME OF OUTSTANDING INDIVIDUALS

We come from many different places, lifestyles, and backgrounds. We contrast with one another, yet are bound together by a feeling of unity and close friendship found nowhere else.



EACH OF US IS COMMITTED TO EXCELLENCE

WE ARE SPECIAL — WE ARE FALCONS

At Foss, there are a series of special areas; areas which differentiate our school from any other.

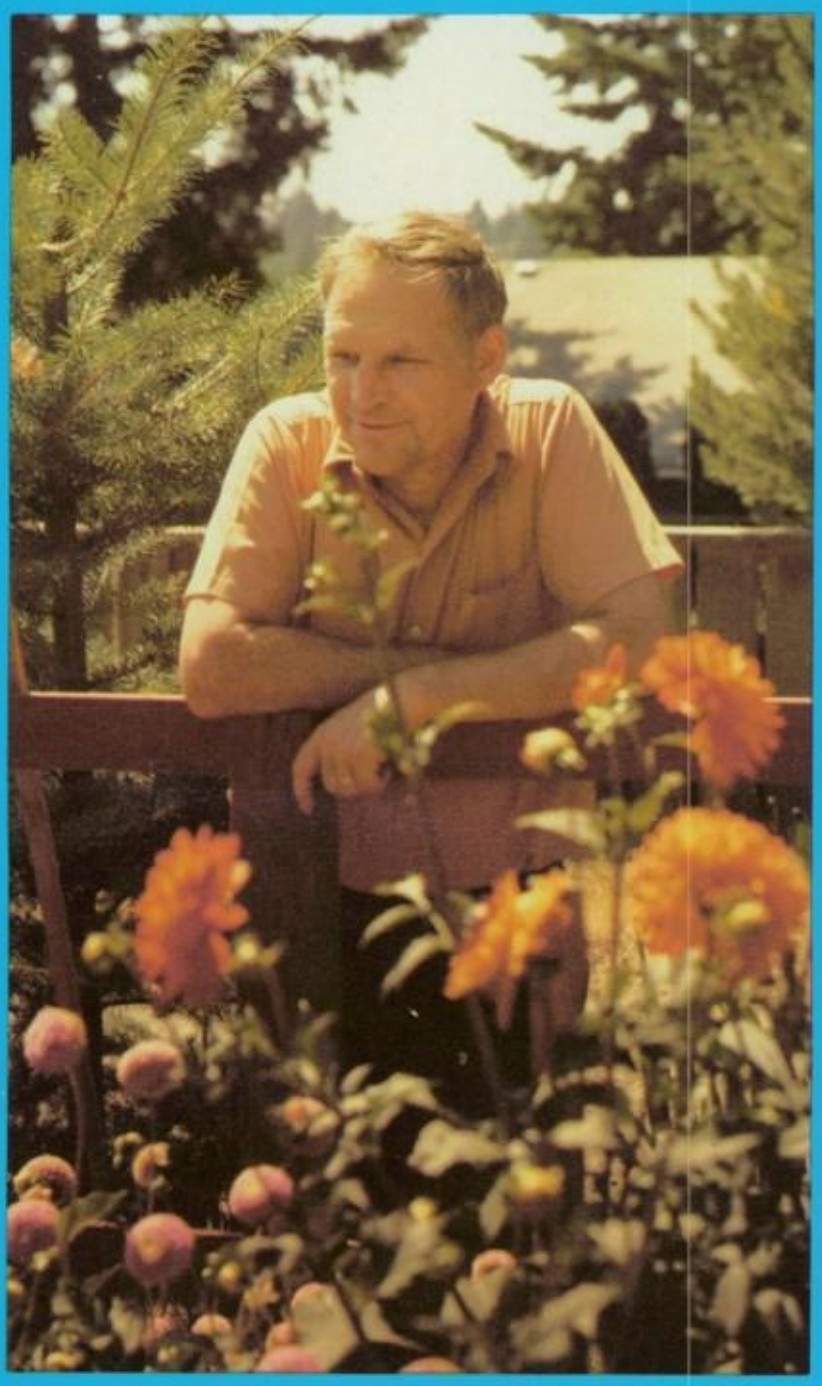
There are places for social gatherings — and there are places of seclusion.

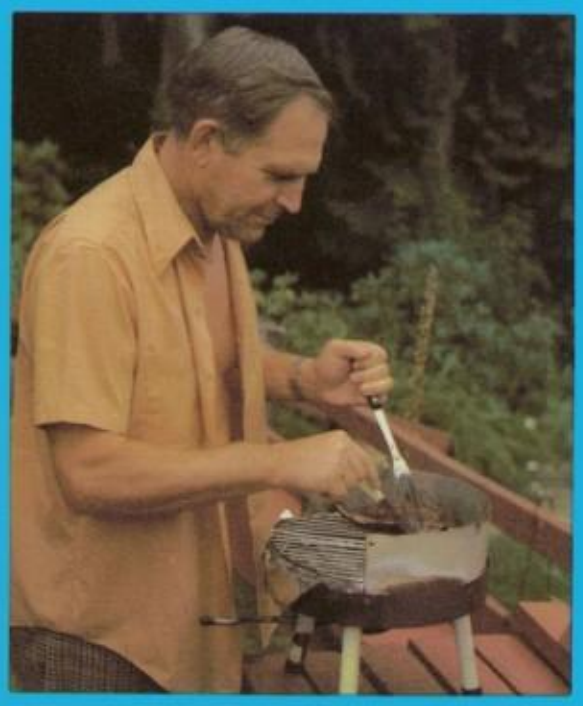
These areas symbolize the spirit of Foss by uniting the students into a habitat made especially for them.

Whether we come together academically, or socially, we are bound together by a special bond — a bond that exists only in this special school.

"EVERY DAY IS A GOOD DAY AT HENRY FOSS!"

Every year, the annual staff has chosen an outstanding member of the Foss family who has worked hard to achieve the recognition of the school and community so as to receive the dedication of the Henry Foss *Calypso.* This year, this honor has been bestowed upon Charles V. D'Hondt our principal.





Mr. D'Hondt moved to Tacoma and took his first job of teaching at Stewart Jr. High after receiving his Bachelor's and Master's degrees from Gonzaga University. Since then, he has been assistant principal at Stewart Jr. High and Lincoln High School, then principal at Gray Jr. High and Stewart until he became principal at Foss two years ago. All in all, Mr. D'Hondt has been in the school system for nearly twenty years and has much experience in dealing with students.

Although Mr. D'Hondt has four sons of his own, all of whom have graduated from Foss, he still was like a father to all of us. Mr. D'Hondt has sincerely cared about every individual in our school and has strived toward promoting a deep harmony in the relationships of the Foss family.

Princess Shelli

As one of the 28 girls nominated to represent Foss as the daffodil princess, I was surprised and honored to be selected as our representative to the royal court.

My official reign began with three months of lessons in poise, make-up, etiquette, and group singing. This was all in preparation for the queen's coronation and the Grande Floral Parade.

I was fortunate to have the opportunity to meet many interesting people as I represented Foss. Different engagements included luncheons, dinners, visits to hospitals and retirement homes, and meetings of community organizations. These daffodil activities have enriched my senior year. For me, it has truly been a life-changing experience.

I am proud to have been able to represent Foss as its princess, and appreciate the support extended to me from family and friends.

Ready for take-off!

This year, Foss had both Fall and Spring squads. They did an excellent job providing winning spirit during the football and basketball seasons. The girls attaining the football cheerleading positions were chosen by students and staff last year before summer vacation. During the summer, they had four hour practices daily. They also attended the World Cheerleader Conference Camp at which they spent much time together and developed excellent friendships with each other. At the camp, the cheerleaders won two spirit banners and numberous ribbons for showing superior skills in their cheers.

Big Ink Attack!!!

Where would our school be without Parliament? Well, chances are we wouldn't be the exceptional school that we are. This year's Parliament, *a* student government organization, sold sweatshirts which enabled them to plan the homecoming and other activities. We owe much appreciation to Chairperson **Rene Lord,** who kept the group together and aided in the improvements of our school. Perhaps it was best stated by member Sue Miller, who said, "We simply make Foss a better place to live."

KEY CLUB AND INTERACT WORK FOR A BETTER COMMUNITY

This years' Key Club, under the leadership of its president Dan Zellman, was involved in many activities such as a toy drive for Christmas House, food drives, and various other community service projects.

DECA AND FBLA

D.E.C.A. embarked upon many things this year. They raised monies for such things as regional competition and holiday food baskets for the needy. Mr. Gleason had a hard working class, and it will be interesting to see where they go from here. DECA works.

Push/Excel is an organization in the Tacoma School District designed to help the involved student achieve the utmost from their education. Push/Excel is the cooperation and involvement of students, teachers, school administration and parents, as well as the community. The organization helps to motivate and prepare students for the achievement of present, as well as future success by closely monitoring their progess and rewarding the student for their achievement.

The students involved in Push/Excel are responsible for keeping an accurate record of their homework study time each night. The amount of recorded study time is turned in and checked by the parent. The recorded time is then given to the community liason for final approval. Members of the Push/Excel program are achieving the goals of tommorrow by meeting the demands of today.

Row 2: Bo Gottfried, Advisor — Frau Morrell, Amy Kirkpatrick, Michele Clark, Dan Zellman, Martin Torres, Debbie Hoover, Duane Hicks, Karin Dalesky, Dave Rodrigous, Troy Zook, Alan Curtis, Lisa McCue, Frank Staten.

With much help from President Troy Zook, this year's German Club was successful in selling Gummy Bears, advent calendars, and other fund-raising material. The proceeds from these sales enabled eligible students to attend Fort Warden Language Camp to broaden their knowledge of the German culture.

Chess Club, doubling as Chess Team, participated in the Jog-a-thon and took donations from members to raise funds to buy the special clocks used in chess matches and to pay for entrance fees. The team had a total of eight meets during the season and with chess-master/President Jay Coggan and several other outstanding players, the team had a fairly successful year.

Row 1: Ron McLam, Mike Vig, Pat Lister, Jay Coggan. Row 2: Seong Kim, Reggie Thomas, Robert Spalinger, Advisor — George Hyland.

SPECIAL EDUCATION

The teachers in the special education department play an important part at Foss. Teaching the special education students, who have a variety of mental and physical disabilities, takes much hard work and dedication. The teachers in this specialized educational field work very hard to make their students become productive citizens and to make the goals of their students realities.

SOPHOMORE ADVISORS

REVAMPED ADVISOR — ADVISEE PROGRAM WORKS

This year's advisor — advisee program changed from mixed grade levels to sophomore, junior and senior advisee groups. The change came about because of the special needs each class has. For the seniors there is the problem of graduation and scholarships. For the juniors the advisors help them with college preparation. For the sophomores the advisors main task was orientation. Over the summer the advisors visited the incoming sophomores at their homes to help familiarize themselves with their advisee's goals.

In short, the new advisor — advisee program deals with the student's specific needs and also helps promote class spirit and pride.

Darrell Bahm — Science

Since receiving his masters Degree from the University of Montana, Mr. Bahm has been teaching in the Tacoma School Distict for 18 years. Most of that time has been at Mt. Tahoma and Foss.

His wife teaches also, and his son attends Washington State. Some of his interests include boating, fishing, gardening, camping, and traveling.

Wayne Dalesky — Psychology

Mr. Dalesky has taught at both junior high and high school levels, extensively, seeing time at Baker and Lincoln before coming to Foss. He graduated from Central Washington.

Both his children, Brett and Karin, spent their high school education at Foss. Besides being the coach of our basketball team, Mr. Dalesky also enjoys tennis and golf.

Ruth Suttles — Math

After graduation from U.P.S. in 1963, Mrs. Suttles furthered her education at the University of California. She taught at Jason Lee for eleven years, and has been teaching at Foss for the past seven.

She has a husband and four children, and enjoys hiking, hunting, lapidary and sewing.

Loni Faye — English/History

Mrs. Faye graduated from U.P.S. and the University of Oregon. She now plays an integral roll in the English/History program here at Foss.

Ben Daniel — Drawing/Photography

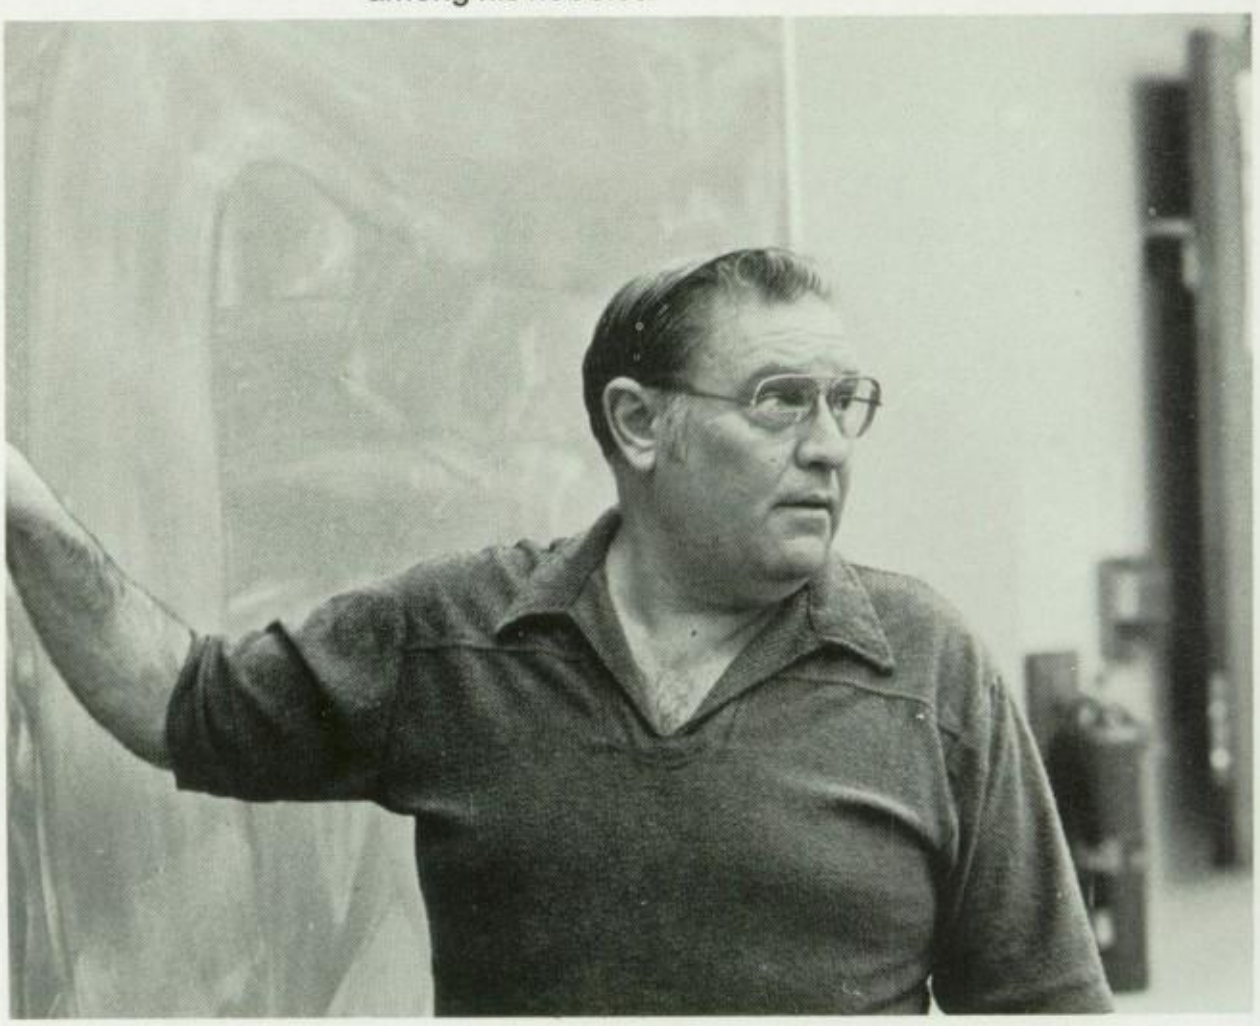
Mr. Daniel is another grad of Central Washington. He taught three years at Morton High School, fifteen at Wilson, and has taught here, now, for eight years.

He's married and has three daughters. Construction, photography, hiking, multi-media, and electronics are among his hobbies.

Jim Dejung — Science

Upon graduating from Wisconsin State University at Eau Claire, Mr. Dejung remained in the midwest to teach science for five years. He then was an Educational Consultant for McGraw-Hill Inc. for seven years. He also spent five years as "Mr. Science" on KTPS-TV in Tacoma before coming to Foss six years ago.

Mr. Dejung has a wife, two boys and one girl, and is a fan of sports, electronics, and woodworking.



John Gleason — Business Education

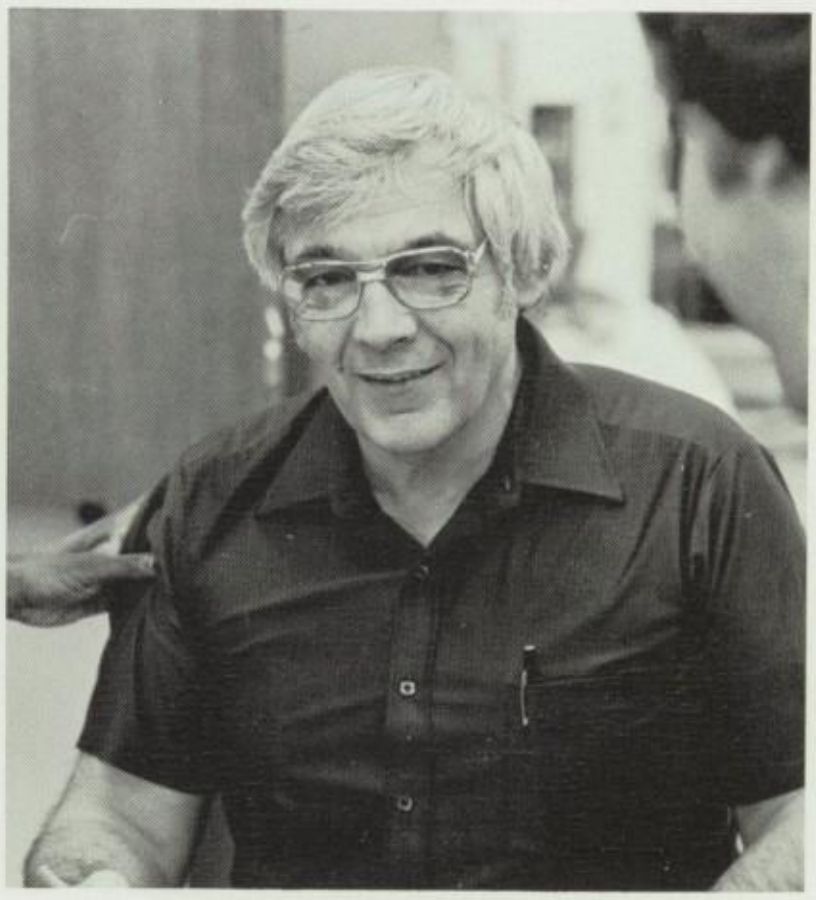
Mr. Gleason got his Bachelor's Degree from W.S.U. and his Master's from U.P.S. He is a member of the original Foss staff, moving here from Wilson in 1973 when the school opened.

Mr. Gleason is single and likes to ski and go backpacking.

After graduating from Central Washington, Mr. Hotsko taught at Hunt for seven years and had his own TV art show on channel KTPS for five. He's been teaching art at Foss for the last nine years.

He and his wife, Kelly Lynn, have a son named Jeff and two daughters; Tracy and Teri. Mr. Hotsko enjoys his freedom and sports, loves money, appreciates beautiful things, and has a knack for working in the garden.

Ken Hotsko — Art



Bob Malyon — Science

Dean Mellor — English/History, Athletic Director

"Mal" has worked with kids of all ages teaching at the elementary, junior high, and high school levels.

Mr. Malyon has four children, two of whom are attending the University of Washington. He is a charter member of Group Four.

Mr. Mellor received his B.A. and M.A. Degrees in education from U.P.S. In addition, he has also attended the Montana School of Mines, Colorado College, Univ. of Massachusetts, and P.L.U. He's taught in our district for 23 years; at Lincoln for three, Mt. Tahoma for twelve, and Foss for eight.

Mr. Mellor and his wife have three children. He likes woodworking, cooking, and hiking.

After graduating from the Tacoma General School of Nursing (TGSN), *Mrs. Westlin* continued her medical education at U.P.S., and the Public Health Nursing Dept. at P.L.U. She was a medical surgical nursing instructor at TGSN before becoming a nurse in the Tacoma Public School District.

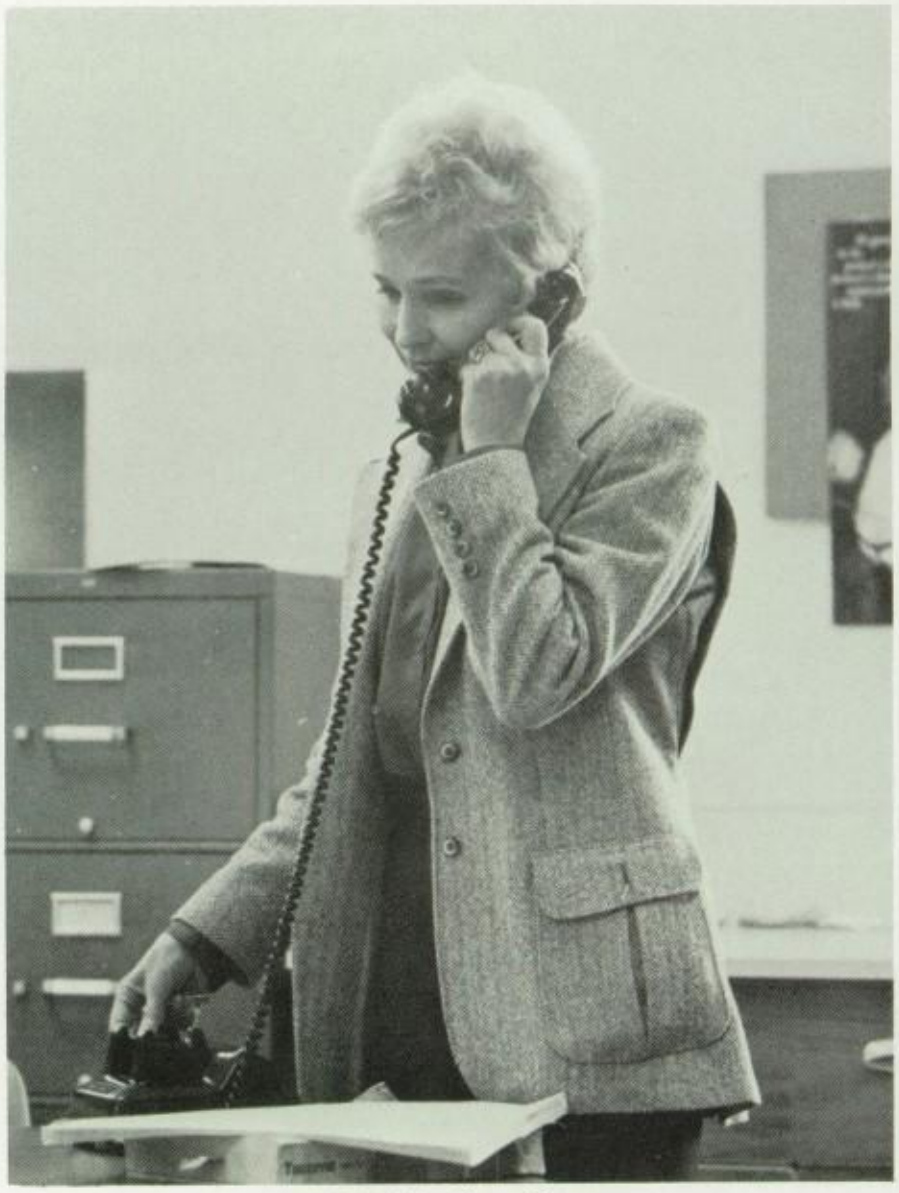
She's a wife, a mother of two daughters and one son, and a grandmother. Handcrafts, reading, boating, and traveling are among her favorite things to do.

Mr. Sonntag went to Seattle Pacific College before getting his Master's Degree at P.L.U. He is a member of the original Foss staff, coming here in 1973 after teaching at Hunt and Stadium.

He is married, has four kids, and likes to spend his time with them. He also plays tennis and was Foss' football coach for eight years (including 1976 when he lead the Falcons to the state title).

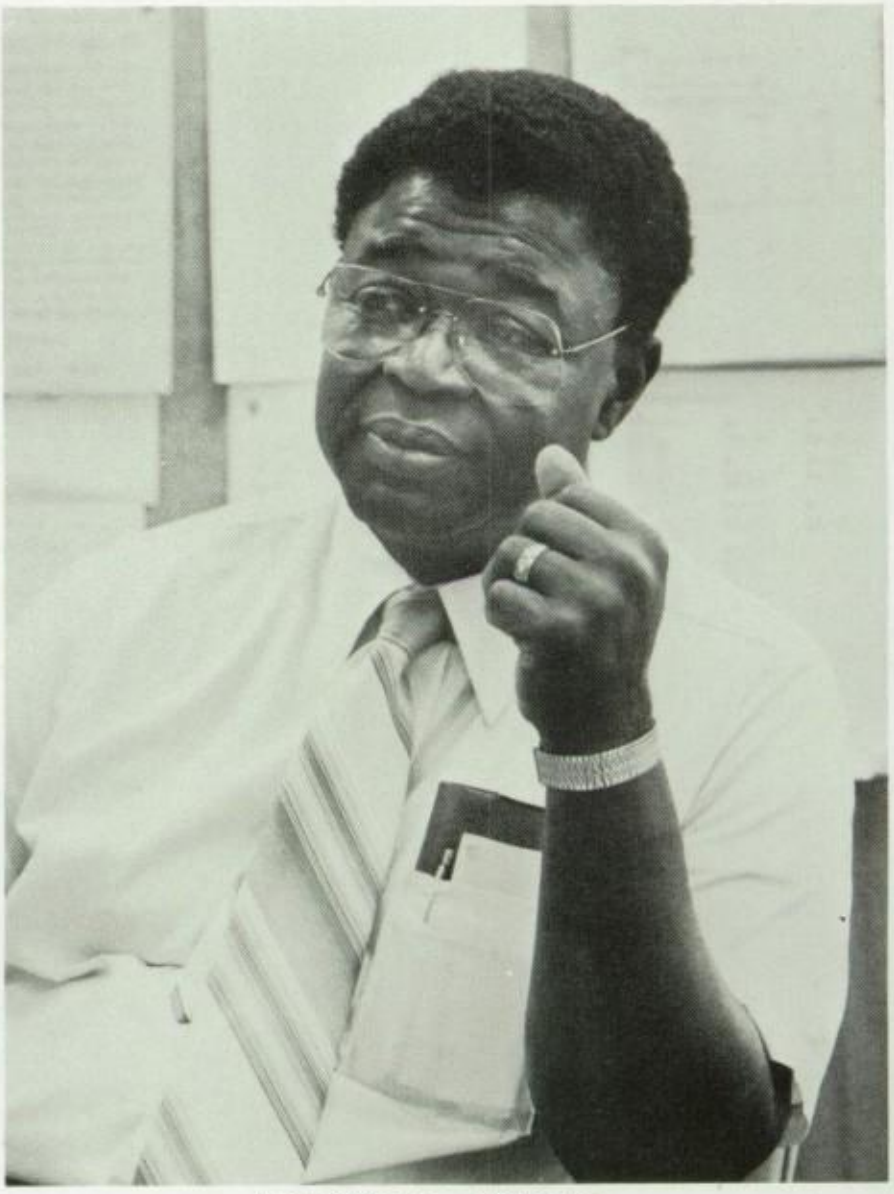
Mr. Williams received his Bachelor's Degree in Health and P.E. in 1964 from U.P.S. He went on to receive his Master's in counseling from P.L.U. in 1978. He had taught special education and history for three years each, and has been a counselor at both Lincoln and Foss, spending his last nine here.

Mr. Williams is a family-oriented man with a wife and three sons. He enjoys landscaping.



Edie Westlin — Nurse

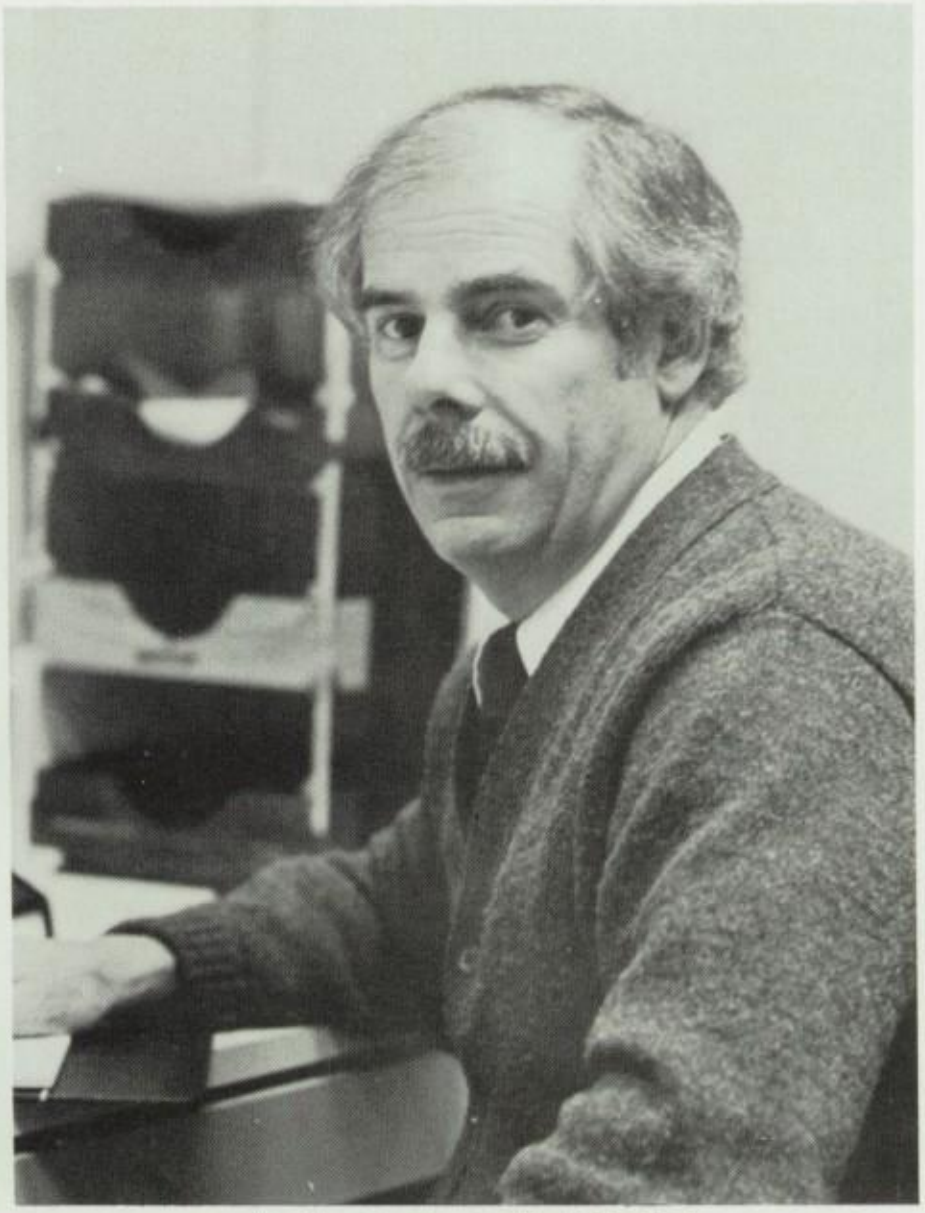
Jack Sonntag — Physical Education



Louis Williams — Counselor

ADMINISTRATION

Mr. D'Hondt — Principal



Mr. Urquahart — Assistant Principal

Elaine Larson — Administrative Intern

Charles D'Hondt has once again completed a very successful year as our principal.

Ron Urquhart, our Assistant Principal is an undergraduate of Portland University and received his masters degree in education from Oregon State.

Mr. Urquhart has been Vice Principal at Foss for seven years. He has four children and enjoys watching sports and playing golf.

Mrs. Elaine Larson is with u s from P.L.U. on a one year sabbatical in hopes of attaining her administration credentials.

SECRETARIES

Mrs. Newhart is a graduate of Lincoln High School. She worked for the U.S. government for eight years and started working in the Tacoma School District right here at Foss as Attendance Secretary in 1973.

Mrs. Newhart has two boys, a girl, and a granddaughter. She likes to sew.

Mrs. Schaefer learned some of her secretarial talents at the University of Wisconsin, where she attended college for two years.

She is married with two children and likes to oil paint in the comfort of her own home. She also likes to go camping with her family.

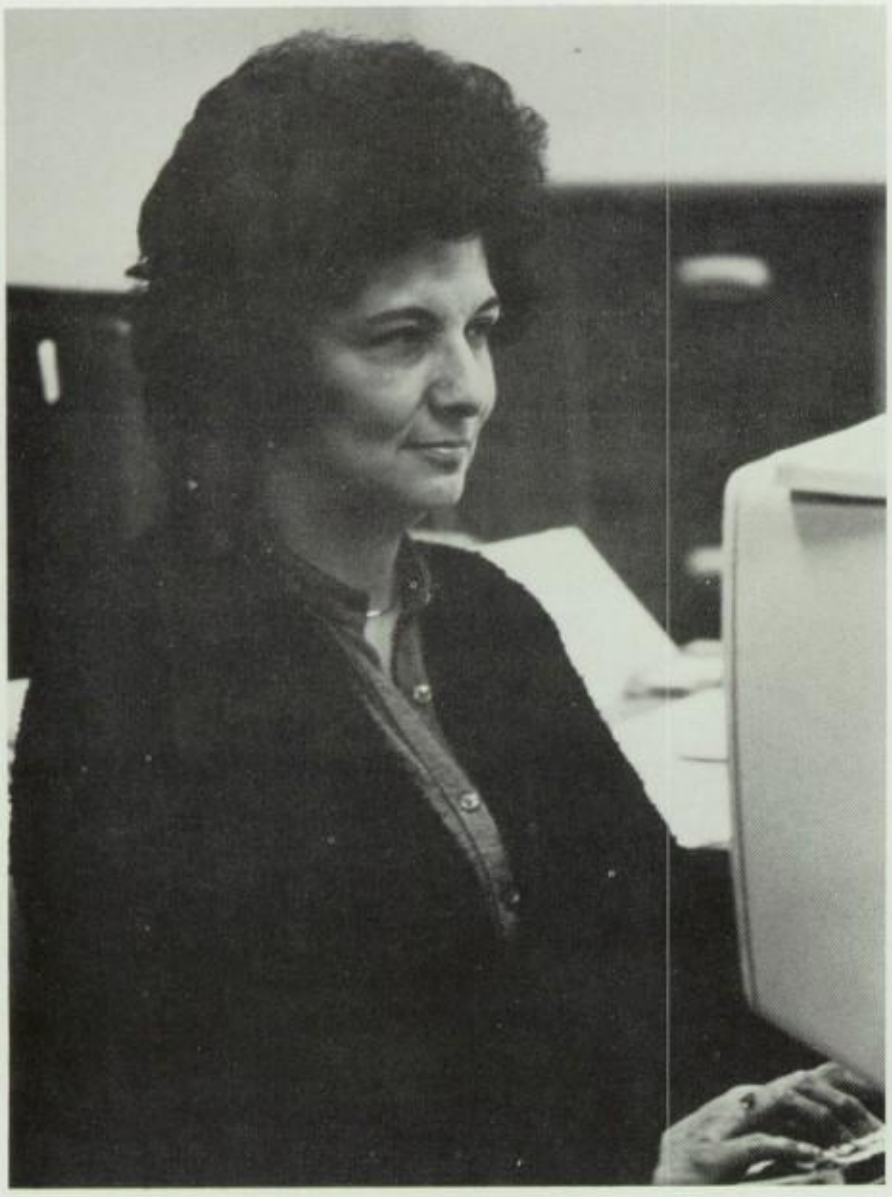
Mrs. Garitano has had ten years secretarial experience, spending seven of those at Hunt Junior High, one at Mason and two at Foss.

She's happily married with a five-year old daughter. She likes to do plaster crafts, crochet, and waterski in her spare time.

Juanita Newhart — Accounting

Sally Schaefer — Receptionist

Kathy Garitano — Attendance



Linda Wherry — Registrar

Edith Smith — Counseling

Marlene Hughes — R.M.C.

Mrs. Wherry attended the University of Oregon in Eugene for two years.

She has five children and enjoys doing home-improvement things such as gardening and sewing.

Mrs. Smith, like Mrs. Newhart, is a Lincoln High school graduate.

She's been married for 35 years, has two children, and two grand children. She enjoys the art of dried-flower arranging, and is an avid collector of plates and antiques. During vacation times, she likes to go to the beach.

Mrs. Hughes has been the librarian at Foss several years. She's been an important part of our Resource Material Center, helping students find research materials to use from our wide variety of texts.

Mrs. Hughes is married and has three kids, two of whom have attended Foss. She says she enjoys homemaking and people and two of her hobbies are snow skiing and making crafts.

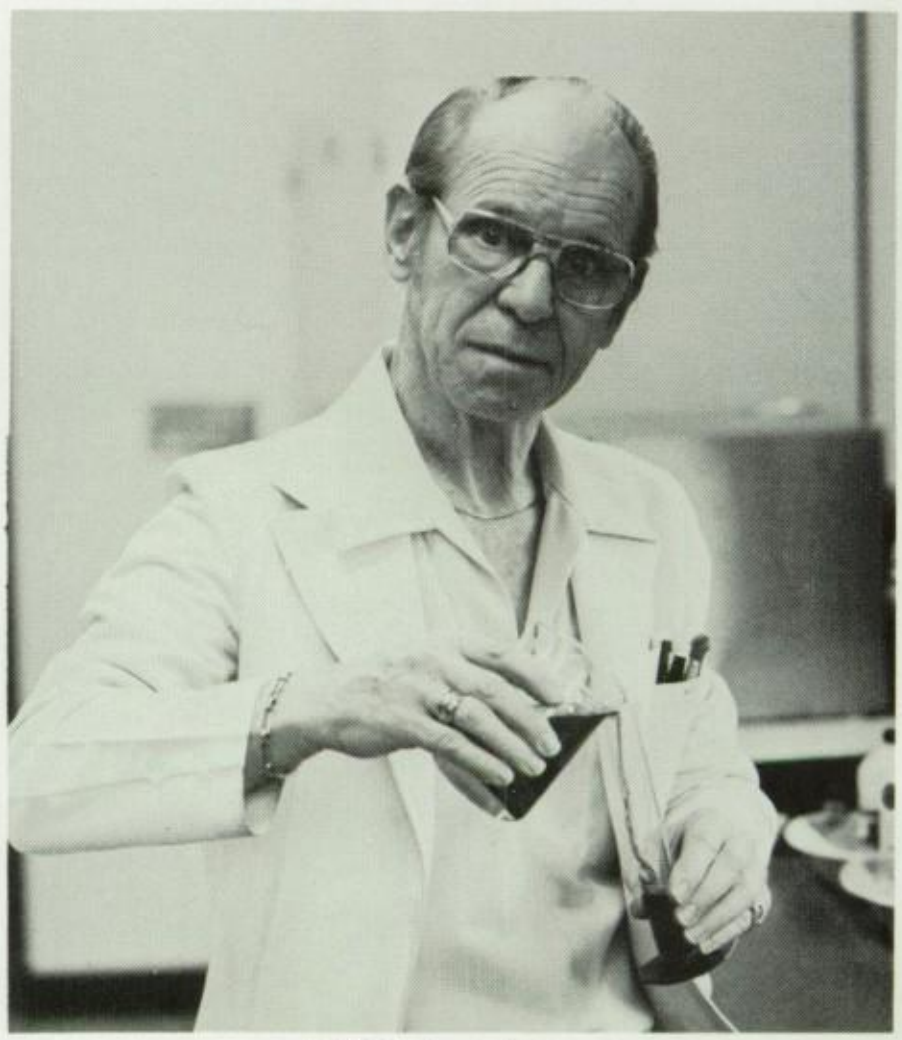
Al Phillips — Paraprofessional

Vivian Young — Paraprofessional

Chris Hinds — Counseling

Mrs. Hinds graduated from U.P.S., receiving her Bachelors Degree in English. She has been recently attending P.L.U. working towards her Masters Degree in Special Education. Before coming to Foss she was a career co-ordinator at Jason Lee and Stadium.

Mrs. Hinds has a ten year-old son. She enjoys gardening, reading and sewing; and is a fan of skiing and cross-country.



Wally Drake — Science

Wally (as he's known by most of us here at Foss) is our earliest graduate of the Univesity of Puget Sound. He was a teacher of biology and zoology for 39 years at Lincoln High School. He retired from teaching in 1973 and then came to Foss as a volunteer.

This "youthful" man loves the theatre and enjoys traveling.

OUR COOKS SERVE IT HOT!

Who do we go to for a balanced and nutritious meal? Well, who better to go to than Henry Foss cooks.

The cooks from left to right are Mardelle West, Peggy McCormies, Anneleise Schmidh, Hattie Young, Ruth Mulkey, Kathy San Soucie, Dorine Doyle, Mary Peterson.

CUSTODIAL CREW CLEANS UP!

Often we fail to recognize and appreciate the labor done by our custodians. They are constantly on the go and they don't quit until our school is at its peak of cleanliness. Because of this never-ending task, we would like to thank them.

The custodians from left to right are Leon Smith, Orlando Villador, Warren Nelsen, Irma Jones, and Ray Mathias.

FOSS SHOWS WHO'S BOSS IN GRID — GO

Grid MVP — Mark Caldwell

Foss Falcons established their credentials as the favorite in the Narrows League high school football campaign this fall with a solid performance winning the 39th annual Grid-Go-Round. The Falcons, under new head coach Jim Black, disposed of four straight opponents, downing Lincoln for the 2nd time, 6-0, in the championship game.

Foss senior tailback Mark Caldwell, who scored a game high 14 points, was voted the outstanding offensive player. He rushed 21 times for 106 yards, & scored the overtime touchdown in the Falcon's first of two victories. Foss was clearly the class performers of the six-team field.

Foss' Football team enjoyed a very successful season under first-year coach Jim Black. The successful season included sweeping the grid winning the city title, and finishing with a 7-1 record. Only a one point loss to South Kitsap (17-16) kept the Falcons from going to state. Unfortunately this year the Narrows League sent only one to State.

The Falcon offense moving out of a power I, gained consistent yardage on the ground. Mark Caldwell and Jesse Jones led the charge behind the blocking of Bob Overmars, Chris Lyden, Joe Bachelor, Eric Carlberg, and Ron Jenkins. Brad Kendrick was a leading receiver.

The defense, relying on speed and aggressiveness, consistently handled opposing offenses. They used the basic 5-3 defense Foss has used for years.

Next year should be another banner year for the Falcons.

The teamwork of the Foss Volleyball Team carried them into the tournament for the first time since Foss opened. Coach Eicholtz built the team around a strong group of returning lettermen (Lori Smith, Laurie Crowley, Nese Welch, Molly Fitzgerald, Carolyn Hankins, Marti Wangsmo, Janet Brockel, Darlene Gunderson), and two outstanding sophomores, (Dana Rohrs and Trudi Williams). The team tied for first place in the Jamboree and had a season record of 11-3.

This year our cross-country team had a new leader, Coach Dorn. Despite the limited number of runners, Coach Dorn inspired all members of the team to do their very best even under the grueling conditions of many of their meets.

The team was a highly motivated group of people who pushed one another to the fullest. Among the team members were Mark Van Eyck and Randi Henning, an exchange student from Norway who took 6th in the city meet this year.

The younger team members are looking forward to a very successful season next year.

Foss	86	vs	South Kitsap	100
Foss	79	vs	Mount Tahoma	85

Even though this year's girls' swimming team did not have a winning season, the record does not say anything about how much time, effort and cooperation they put forth during the meets and the practices.

Coach Chris Hirschmann did a magnificent job holding the team together, enabling them to take 8th in the district. We were also especially proud of one swimmer, Susan Lenth, who went to state in the one hundred yard breastroke.

I feel good all over

This year's concert band, under the new leadership of Jim Danielson, showed great signs of improvement from the previous years. Although a majority of the members are sophomores, it says nothing about the skill and effort exhibited by each individual students. The band participated in such activities as the Torchlight Parade in December and the Daffodil Parade in April.

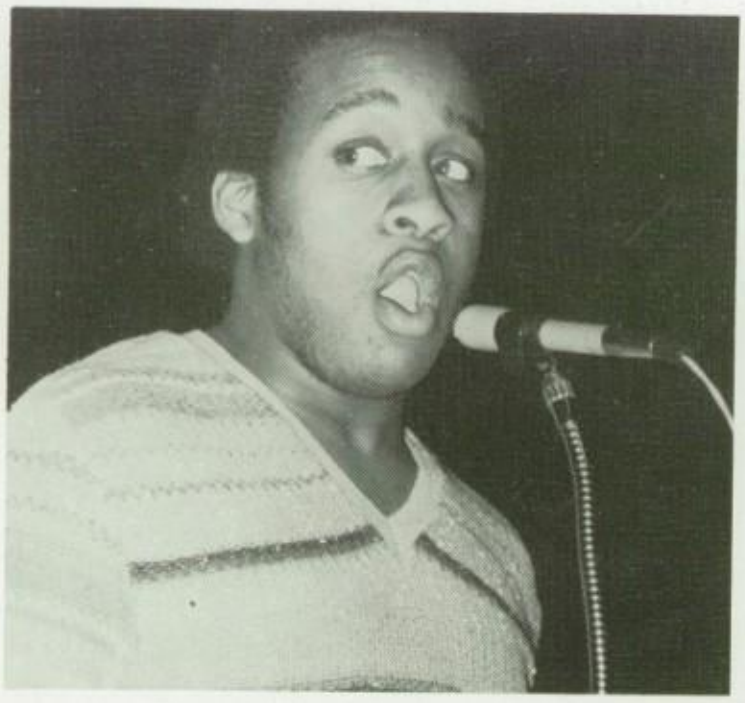
Just fiddlin' around

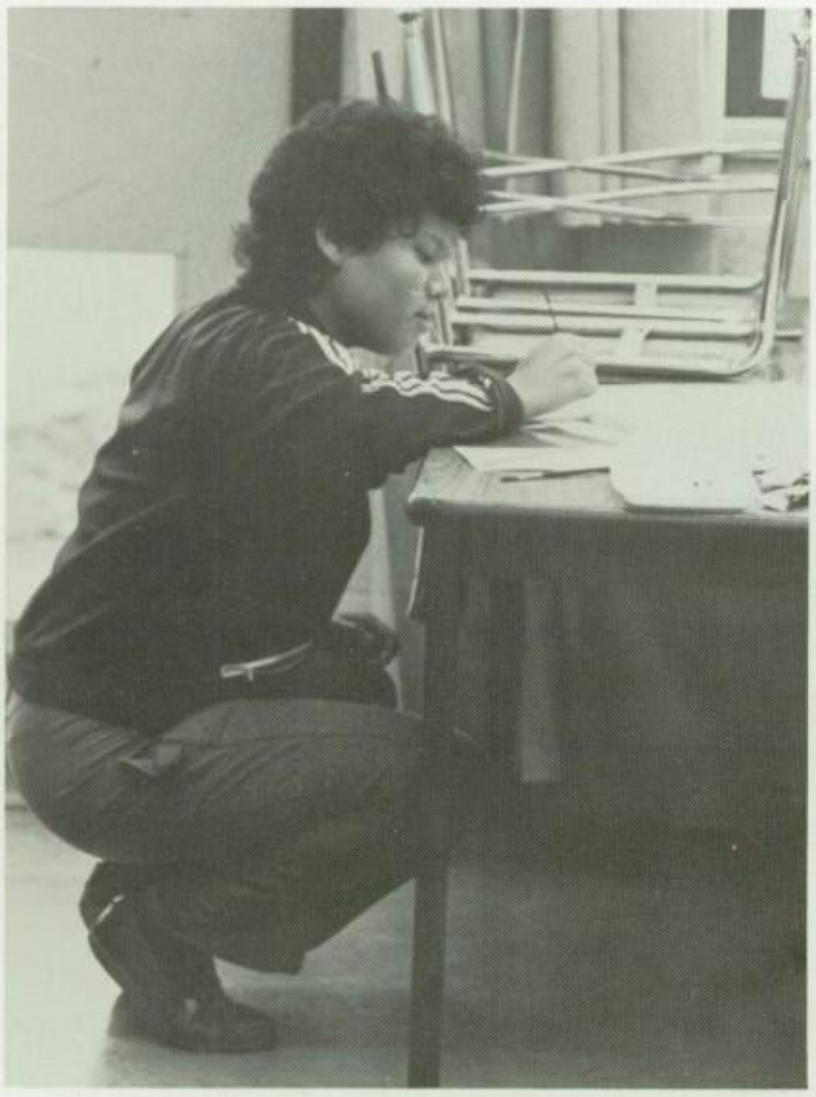
This year's orchestra, though small, has through determination and effort proved that an orchestra of this size can repeatedly produce quality music. Mr. Johnson, the instructor, inspired the thirteen members with his constant leadership and support.

The orchestra raised money to pay for their annual trip to Ellensburg for a string festival.

Foss continuously brings in young talented musicians who show pride in what they do. From Orchestra, to the bands and the choirs, each individual group is gifted with a "touch of class."



ARTISTIC ACHIEVEMENTS



The art department is but one in many where students can express their attitudes and explore their creativity.

The art department stresses creative ingenuity and progressive originality as objectives for the student's individual and overall performance.

Students are given the opportunity of exploring the two-dimensional mediums, such as painting and silkscreen printing, as well as the mediums of the three-dimensional, like pottery, jewelry and sculpture.

The student's ability to create in the art class is virtually unlimited. Large or small, abstract or realistic, the individual student is able to explore to the fullest the creative and aesthetic boundaries of art.

Sabrina Fair, the first major production this year at Foss, was a successful and well performed play.

Betty Truitt, the producer/director of the play along with the stagecraft class she taught, built the set on which the play was performed.

The cast rehearsed two months to perfect their lines and blocking, (movements on stage). Kim Bailey played the role of Sabrina Fairchild along with other cast members including Roberta Ingram, Glen Martin, John Robinson, Todd Kelly. Dave Cooke, and Mala Herbst, displayed much talent in the execution of their roles.

TRADITION

The 1981-'82 hoop season was a surprise to everyone. With only one returning starter, fans were expecting anything from a mediocre to a losing season from the Falcons.

But with the superb play by our seniors, juniors and sophomores, Foss came through with another winning season. Many individuals contributed to the success of this year.

Billy Veliz was one of the most exciting forwards in the league. His quickness and his leaping ability left a lot of defenders on their heels. He was one of the leading scorers in the league and state. Another player who was a dominating force was the sophomore sensation, *Kenny Goodlow*. Being one of the few sophomores ever to start at Foss, you know he's got to be tough. Having one of the most feared jumpshots in the city, defenders had a difficult time defending him. His slippery way of getting open, however, was a major key to his scoring success. He, too, was one of the leagues leading scorers.

Todd Slingland was the only returning starter. Playing point guard, his experience paid off in many games. Knowing the opponent was Slingland's way of picking defenses apart. Being one of the best ball handlers in the league, he could easily drive to the basket and break presses. *Tim Weber*, at the forward position, was one of the most consistent players on the team. His defense kept many players under their averages, and his offense was very steady also. Then there is the newcomer, *Ron Jenkins*. He surprised everyone with coming up with big plays in his first year of varsity play at the high school level. His height and strength helped him lead the Falcons in rebounds. His defense was equally great.

These five players were the key for success this year. The mesh between these players was a compliment to the coach, *Wayne Dalesky*. Yes, there were others who contributed; like *Earl Martin, Brian Wright, Joe Smith, Bob Strachan,* and *Zach Smith*. But the season wouldn't have been the same without the starting five. So remember, a Falcon can't be mediocre, just great!

The team started five seniors, and their experience carried them through the pressures of the demanding Narrows League. *Nese Welch, Lori Smith, Karin Dalesky,* and *Nikki Norton* were among the league leaders in scoring, *Nese* and *Julie Grevstad* led the team in assists, and *Lori* was the teams leading rebounder. *Coach Black* has done a fantastic job in working with these players for three years, and bringing them to the level of excellence at which they played this season.

FALCONS MAKE WAVES

Through the experienced leadership of seniors Andy Cruz and Jeff Watterson, the Falcons swim team showed much promise this year. Support came from a strong crop of Bellarmine swimmers: Brent Hartinger, Jeff Williams, and Kevin Shelstad. All but two swimmers will be returning next year full of potential and talent, which should help this young team fare well in '83.

The Foss varsity wrestling team enjoyed another great year under coach Malyon's leadership. The Falcons took seven medals at the Yelm Takedown Tournament, led by first place finishes by *Hyun Um* at 115 lbs. and *George Williams* at 101 lbs. Overall, the team finished second, with George also getting a trophy for the fastest takedown.

Strong leadership through the year was provided by *Hyun, George, Jim Jumper, Mike Albers, British Appleton, Ron Cruz, Kevin Fisher, Scott Williams,* and *Jesse Jones.* The team worked hard and consistently performed well during the long 22-match season.

With the encouragement and leadership of their officers, the junior class worked toward making their year the best ever. In order to complete this task, the class raised money from such activities as bake sales, candy sales, and pom-pom sales.

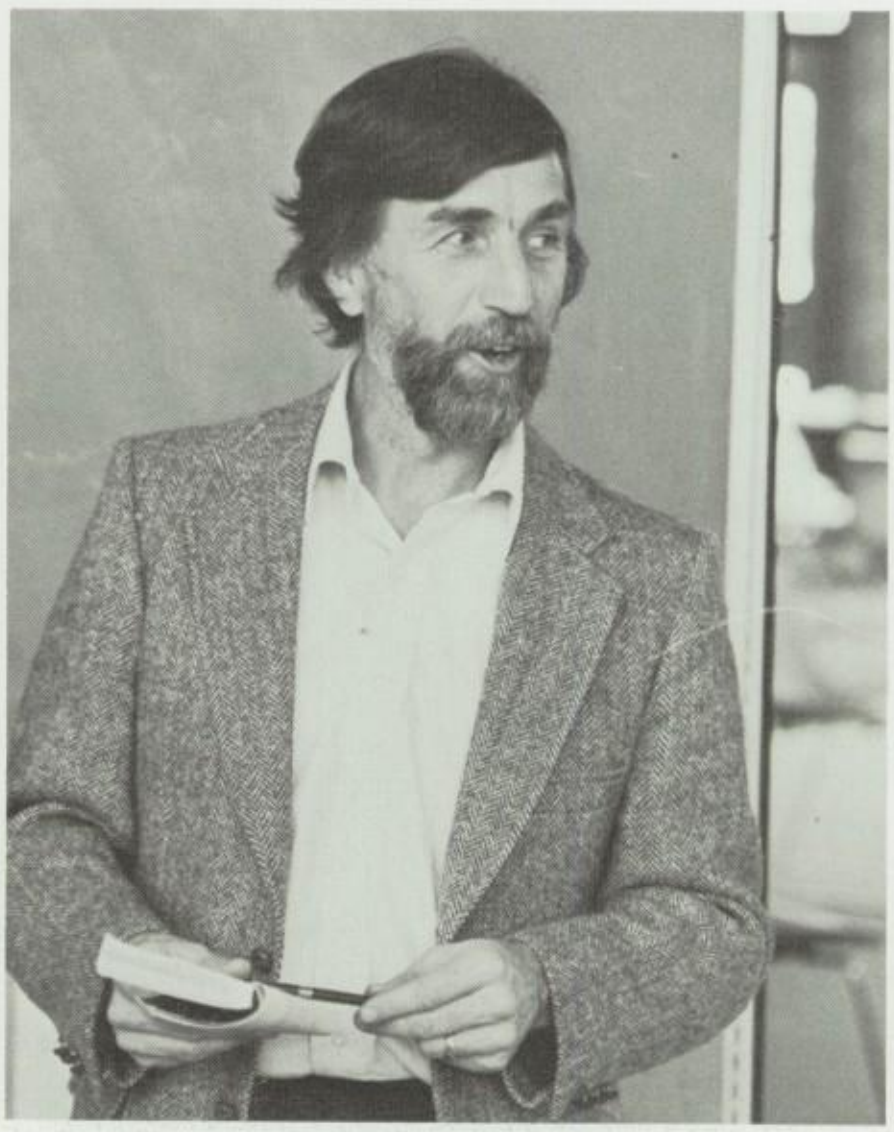
JUNIOR ADVISORS

Marta Berg — Physical Education

Mrs. Berg has been Foss' swimming teacher since the school's opening. Swimming is, also, her main interest, and she shows her enthusiasm in it fully when instructing her class.



Paul Martin — English/History

Upon graduating from Gonzaga University, Mr. Martin received his BA and MA from Seattle University. He went on to teach at Stadium for twelve years and at Foss for the past nine years. He coached baseball for 16 years at Stadium and Foss.

Mr. Martin's married and has four children. He enjoys foreign travel and live theater, and participates in racquetball and running.

Mr. Moomaugh graduated from the University of Idaho and received his masters at Wayne State in Detroit. He has taught at Foss since it opened.

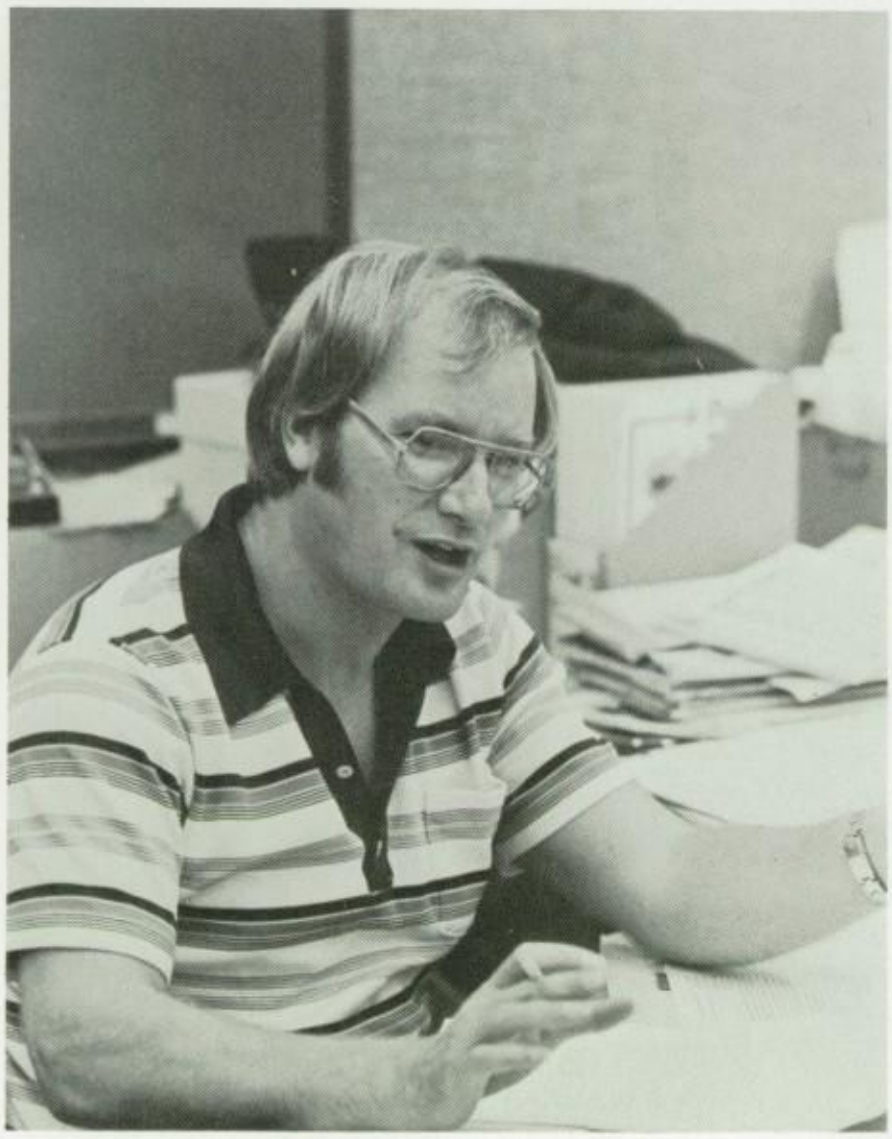
Mr. Moomaugh's primary interest is in historical buildings. In fact, he is part owner of the Old Pacific Brewery, which is the oldest brewery in Washington State. He is also a spectator of high school sports.

Ed Moomaugh — Industrial Education

Ms. Oswalt, a longtime member of our teaching staff, graduated from Central Washington University and Michigan State. She taught at Geiger Elementary and Wilson High before coming to Foss.

Mr. Wolfman, a graduate of PLU and Central Washington State, teaches reading lab and coaches our swim team.

He has interests in fishing, cooking, gardening, and, of course, swimming. He is married and has a daughter and two sons.



Dan Wolfrom — Reading Lab

Mr. Rife, a member of the original Foss staff, received his B.A. from Portland State and his Masters from U.P.S. His teaching history includes three years at Gray Junior High, eleven years at Mount Tahoma, and he is now in his ninth year here at Foss.

His family includes his wife Pat, and his three children: Robert, Sara, and Michael.

Sharon Oswalt — English/History

Robert Rife — English/History

Dale Leggett — Choir/P.R.

Mr. Leggett, who graduated from PLU and Lamar State College of Technology, has been a asset to Foss' musical department. He has taught at various junior highs and high schools.

Mr. Leggett's main hobby is sailing.

Joy Wiseman — Home Economics

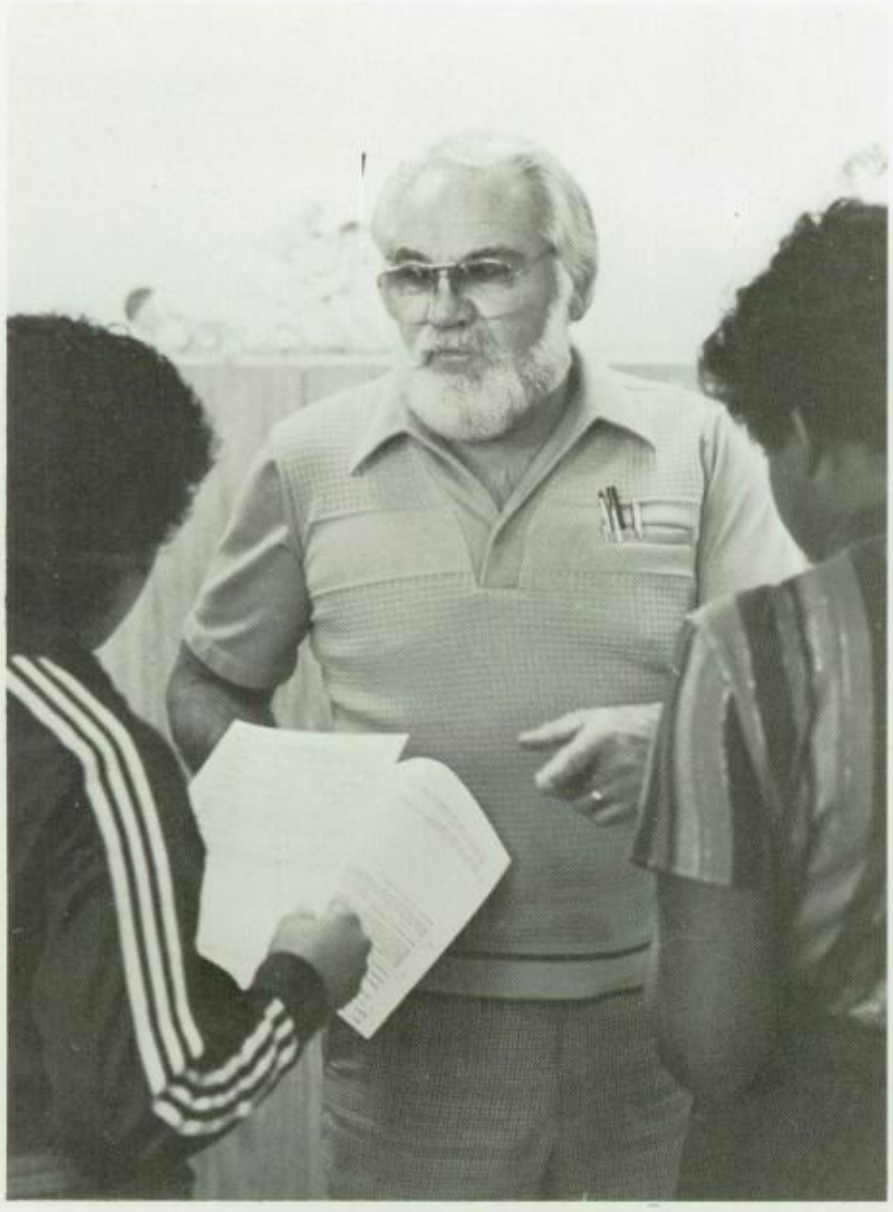
A graduate of the University of Puget Sound, Mrs. Wiseman began her teaching career at Mason before coming to Foss in the home economics department.

She is married and has a daughter, who is also married. A couple of her hobbies are golfing and collecting western art.

Jim Monroe — Math

After graduating from Central Washington University, Mr. Monroe went on to receive his masters degree at Washington State. He taught at Stadium for awhile before coming to Foss.

Mr. Monroe's married and has three children.



John Vitullo — Counselor

Mr. Vitullo is a man of many hobbies. He enjoys boating, fishing, sports, and live theater. He graduated from Springfield College with a BS, from Syracuse University with an MS, and from San Diego State with an MA.

He and his wife, Mariba, have a daughter named Kelley.

Betty Truitt

English/History — Team

Drama Advisor

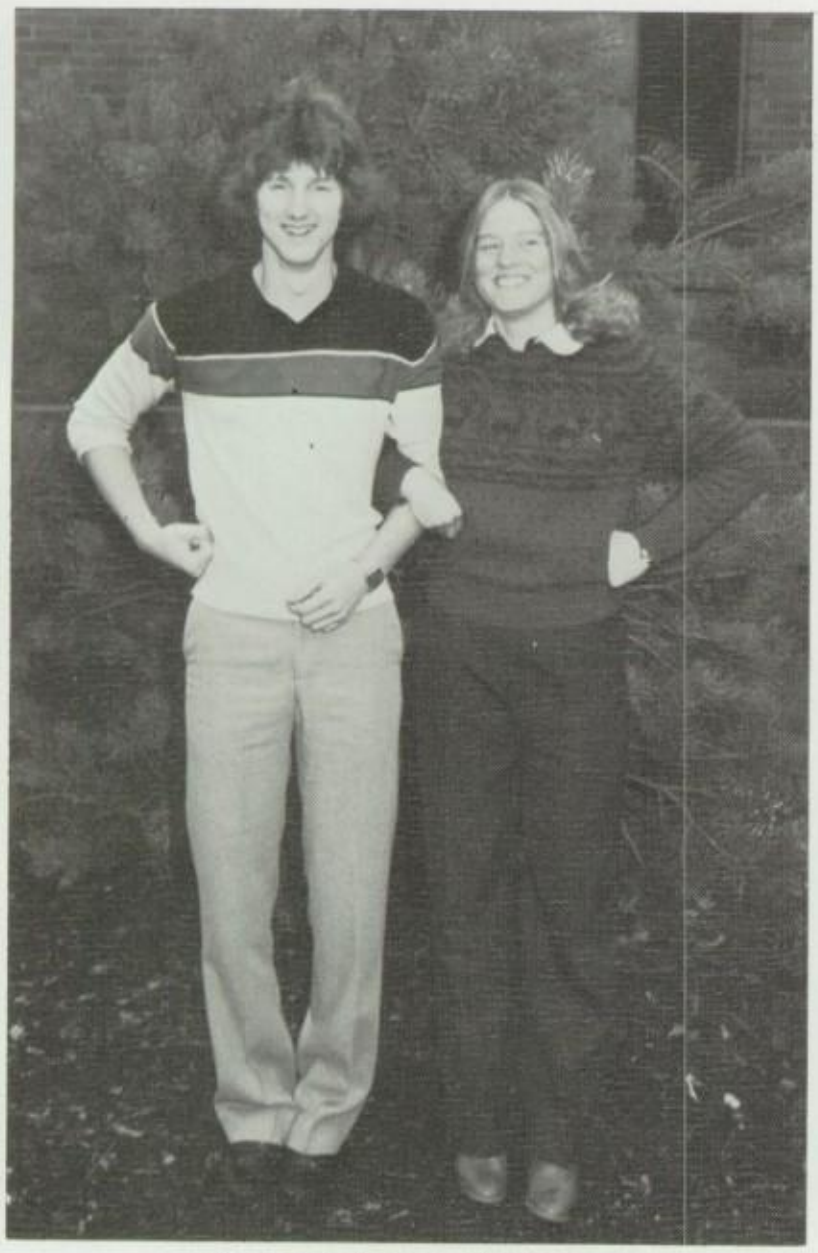
Mr. Sears graduated from both Northwestern and Boston University. He has previously taught in Tilton, New Hampshire; Newton, Mass.; at Gray Jr. High, and Stadium before coming to Foss.

Mr. Sears' interests are many, including writing, racquetball, cooking, reading, and travel.

Betty Truitt — English/History

Dick Sears — English/History

CAMP COUNSELORS ROUGH IT!



Marshal Doyle, Stacy Thordarson

The camp counselors were a highly motivated, enthusiastic group. They all worked hard, yet had a very good time doing it. The counselors taught Tacoma area sixth graders about nature, first-aid, various outdoor skills, and many other activities.

The camp counselors received a nine week training period in which they learned life savings, CPR, as well as basic counseling skills, while earning English and History credit at the same time.

Foss' success as a school can be attributed to the commitment of the students and faculty. Both take an active part in school activities and strive for academic excellence.

THE ZOO!!!

Henry Foss High School is a school like no other. It is tailored to meet the needs of the students that attend it. Foss has an excellent atmosphere for learning and building character.

Students have a chance to develop individual working and learning skills in such classes as biology and Math Lab. Foss also challenges student's attitudes and stimulates thought through civics and current events offered by the English/History teams.

Another outstanding department at Foss is the foreign language department. Aside from learning a foreign language students are able to learn about the country and its history.

In short, Foss offers courses that prepare students for college and life, and also encourages independent thought.

This years Annual was original and unique. For the first time, the Calypso Staff had Co-Editors; Kevin Fisher and Dave Zierman. With the help of Mrs. Gammell, they made significant changes.

One of these changes was to arrange the yearbook by seasons instead of sections as in the past. Also, this years Senior Picture was taken in the R.M.C., the "heart of Foss."

This years Calypso Staff would like to thank Mrs. Gammel for all her help and dedication. In spite of her corny captions and headlines she proved to be an invaluable advisor and friend.

PRINCESS KIM NAMED FIRST RUNNER-UP

Princess Kim Bailey

This year's Afro Princess, Kim Bailey, represents the student body at Foss in its finest perspective.

Kim, who wants to become an actress, enjoys dancing with Jam Productions Dance Troupe, cooking, and sewing.

Her favorite movie is "Fame" and her favorite actress is Cicely Tyson.

She is also involved in such extra-curricuar activities as Key Club, Push-Excel and Drama Club.

Kim did extremely well at the Afro Pageant, being named first runner-up.

During the "82" season Foss continued in its tradition of first class track teams. Foss had a well rounded team this year with the ability to compete with anyone in the state.

Leading the Falcons to victory this year in the sprinting events were Alex Ryan, Brad Kendrick and Bently Williams. All three sprinters have record speed and are respected throughout the state

Running the medium distance races for Foss, James Miller, and Ed Williams, turned in numerous victories for HFH.

Long distance races were left to Mark Van Eyck and Marshall Doyle. These two juniors have the discipline to be great.

This years hurdlers, Ron Jenkins and Fred Richards, both had experience and the urge to win. Ron Jenkins also participated in triple jump and high jump.

This season produced only one pole-vaulter, Scott Williams, whose tenacious drive was a real asset to the team.

Finally this years well rounded team was topped off by the two shot-putters, Chris Lyden and Jesse Jones.

The girls, also, were very tough. Some of the standouts were Randi Henning running the 800 meter and the mile, Mina Cromartie in the high jump event. And the mile relay team, Randi Henning, Karen Lang, Karen Jones and Kathy Geer.

With this much talent, Coach Blair produced an aggressive, disciplined and winning team.

BASEBALL '82

With a majority of sophomores, and only four seniors, the young Falcons knew they had a long hard haul ahead of them. Always learning, the team displayed poise and determination against more experienced teams. Seniors Rand Bullinger, Cam Caughlan, Bob Overmars, and Dean Curry took the helm to smooth the rough edges. Always stressing class win or lose, Coach Tom Shearer devoted every possible ounce of energy toward the squad. With such an abundance of talent needing only a bit of polishing, yet another Foss athletic dynasty could be in the making.

Top row: Coach Tom Shearer, Enus Ellison, Lyle Rider, Kelly Brydson, Bob Overmars, Gret Suttich, Roy Buzz.
2nd row: Mike Nagle, Tony DeRosa, Cam Caughlan, Ramo Natalizio, Rand Bullinger, Joe Smith, Lance Frazier.
3rd row: Lane Luvaas, Dennis Burrel, Tom Simmons, Rob Platt, Dean Curry, Lisa Lovelace.

The "82" women's softball team made opponents aware that they meant business on this year's campaign. Bats were ringing all season long led by the two heavy hitting seniors Molly Fitzgerald and Nese Welch. Being backed by such players as Julie Grevstad, Kim Tiedeman, Nikki Norton and super sophomore Dana Rhors the Falcons couldn't miss. With hard work and a will to win, the ball club finished strong in Narrows League competition showing the league that truly this was a unit to be reckoned with.

COMPETITIVE STANDOUTS

Falcon footballs' awesome foursome

Tenacious grapplers

Henry Foss had many outstanding teams and individuals that deserve recognition. *Ron Jenkins, Chris Lyden, Jesse Jones,* and *Brad Kendrick* gained All-Narrows League Honors in both offense and defense while playing on Foss' 9-1 football team.

The Foss wrestling team was 13th in state with *Jesse Jones* placing 6th *Jim Jumper* wrestling but no placing, *Hyun Um* taking second, and *George Williams* placing 4th.

The outstanding Foss track team did well in state with prformances by Jesse Jones, Ron Jenkins, Brad Kendrick, Fred Richards, James Miller, Randi Henning, Bentley Williams, and Alex Ryan.

The girls' basketball team compiled two straight wins before bowing to some tough teams in regionals. This was the first Narrows League Championship for the girls.

Nese Welch was voted Most Valuable Player in the Narrows League. Joining her on the All Narrow's League Team was center *Lori Smith.*

The boys' basketball team went to state for the second year in a row. Coach Wayne Dalesky's teams have won or shared the league title for the last 4 years.

Billy Veliz led the league in scoring and was voted The Most Valuable Player in the Narrows League.

BOYS' SOCCER

The Big Payoff

FALCONS DRIVE THEIR WAY THROUGH SEASON

This year's Golf team was young but full of fight. With four juniors and three sophomores, Coach Dalesky used this year as a stepping stone to a possible Narrow's League Championship next year. Returning lettermen Scott Sadlier, Shawn Warren and Rob Hughes provided leadership for the young Falcons.

As seniors of Henry Foss High School, we are leaving behind our youth and embarking upon a journey — a journey in which we will go our separate ways as young adults. With our great pride and increasing responsibilities we will use our skills and knowledge to create a world of new horizons.

As we grow older and take our places in tomorrow's "new" world, we will always treasure the togetherness we shared. We will cherish our achievements and our struggles, our laughter and our tears, but most of all we will cherish the memories — memories of the class of "82."

CLASS OFFICERS "82"

With the immense dedication and responsibility shown by the officers of "82", the senior class was able to quickly raise money by getting off to an early start. This readiness enabled them to be on the road to an excellent senior ball.

Although this group of enthusiastic officers were involved in many school and extracurricular activities, they were able to overcome this obstacle and fully devote themselves to fulfilling their obligations. The officer's willingness to raise money was excellent. They participated in such fund-raisers as car washes, candy sales, and they held a couple of dances. The seniors showed their true colors by proving that no goal is too high for the class of "82".
